*REPORT OF THE MONTH OF  
JUNE 2019*

Blessed be the Father and our Lord Jesus Christ, who gives us the blessing of being his sons and servants of Him.

God bless you and your loved ones every day, give them life and health forever.

Thanks to our Lord this month was a great blessing to us and to all who hear the good news of salvation.

In this month for the glory of God two new souls arrived at the feet of the Lord, our sister Martha, she is very sick and decided to obey the call of our Lord and Savior Jesus Christ and our new sister Gleisys, wife of our brother Iván Urdaneta member faithful of our congregation.

In this month I continue working with the brothers visiting and evangelizing every day

I am also helping the indigenous brothers of the San Juan Sector, in the evangelization and study of the word of God.

Also in this month a new Congregation began in the neighborhood of December 28, this new congregation is made up of brothers who cannot move to their meeting place due to the economic situation that our country is going through, thank God until the day of Today these faithful brothers remain.

In our country the situation is not right, and I ask for your prayers so that everything gets better soon.

I also ask for your prayers for my family and for me this month we were a little broken in health.

I ask your prayers for our sister Martha for the Lord to heal her.

They are also praying for the Church and its spiritual and number growth

Thank God and you beloved brothers for your help and for your prayers

Goodness and Mercy.
