Greetings beloved brothers. We thank God for giving us the opportunity to meet again by this means.

### **Church in Maturín centro.**

**RETURN.** We are happy for the return to Venezuela and the church in Maturín of the Vargas-Marcano family (Julio, Rosimar and their two children), who two years ago had gone to Ecuador because of the crisis in the country, thus depriving them of service and talent of our brother Julio to the work of God in Maturín. We thank God for the return of this beloved family.

**TRAINING.** We continue to work in the training of brothers in the church in South Maturín to teach the Bible and direction of songs, the Lord's supper and services in general.

**BAPTISMS.** On the 24th they were baptized for the forgiveness of their sins Leny González (50) and Josué López (16). After hearing the gospel in Bible classes and visiting several meetings of the church Leny and his son Joshua made the decision to become Christians. Leny is also Diego's mother, the young man who was baptized last month. We glorify God for the salvation of these souls.

Our new brethren:

From left to right: Leny, Josué y Diego. Our new brethren in Christ.

**EVANGELISM.** We continue to follow up and study the Bible with other candidates to bring them to faith in Christ.

So far this newsletter. We pray your prayers for our new brothers.

My permanent gratitude for your participation with me in the gospel, for your prayers and for the complete restoration of this server and the work we do here and of course we continue to pray for each other.

In the love of Christ,

Antonio and family.

P.S. Please continue to pray for Venezuela.
