The work of these brothers allows me to develop my evangelistic work in Chile and neighboring countries.

PROBLEMS IN CHILE.

Upon my return from Peru I found serious problems in Chile. A social uprising throughout the country, which has manifested itself with great disorder, violence and chaos. Protesters have burned and sacked the cities and everything has become very difficult and dangerous. This disorder has brought food shortages and a rise in prices. We pray fervently to our God for our rulers and for the peace we need in our country, (1 Timothy 2: 1-3).

CHURCH OF CHRIST IN PUNTA ARENAS, CHILE

I am in contact with the brothers of the church of Christ in Punta Arenas, southern tip of Chile, a church that we established in September. I am supporting the brothers with Bible lessons and answering their questions and concerns, being very attentive to their spiritual needs. On October 5 he was baptized for the forgiveness of his sins (Acts 2:38)

PREDICATION TRIP TO PERU.

On October 3, I traveled to Lima-Peru, to meet Brother. Emilio Lertzundi, evangelist of the church of Christ in the department of Surco, Lima. Our plans were to travel to Pucallpa to meet Abraham Araujo and his family who wanted to hear the gospel. While in Pucallpa we moved by car, 75 miles inside the Peruvian jungle, to the town called Puerto Inca. We stayed in a hostel and then we went to look for the home of Don Abraham Araujo. His wife informed us that Abraham suffered a fall while performing his therapy and was injured again and was transferred to a distant hospital 3 hours from his home. This changed the plans we had. We set out to evangelize in the town and went out to invite people to hear the message of salvation, delivering leaflets with biblical teaching. We got a room in the hostel that we were staying where we held meetings to teach the word of God. 7 people attended the meetings we held. On October 9 in the waters of the Pachitea River in Puerto Inca, Ucayali - Peru, 63-year-old Paola Puente was baptized who obeyed the gospel (Mark 16: 15,16). Brother Emilio Lertzundi will be visiting Puerto Inca and will continue to teach the word of the Lord, as many people heard the word of God with great interest. Here a great door opens for the preaching of the gospel.

So I was teaching at home and visiting the new brothers to strengthen their faith. They were days of hard work in teaching the gospel.
