9 precious soul were baptized into Christ. All of them are in Jasaan, Sta. Cruz, Laguna.

As to our chapel, the expenses was about ₱400,000 and about ₱100,000 will be used... Bro. Lino with a big heart for this task.

Maybe, another couple of weeks and it will be finish, I'm very busy managing and working as a carpenter and mason at the same time.

Our loving Father heard our long long time request... to have a permanent lot and chapel... also, he gave me a 700 sq. meters lot for our house that will be erected there beside the chapel...

As of now, my big problem is my left eye that must undergo surgery 2 months ago due to *acute eye cataract*... In Lord's will, it will be after the arrival of bro. Jim because I want to attend his lectureship in Navotas and Pasay this coming October 22–23. Maybe, 2 of my pupils will be there with me.

In spite of my busy schedule at working in the chapel, I always insert time to do my duties, to preach the gospel. It is my happiness to share the gospel anytime.

Thank you very much for your constant trust and fellowship with me. Thank you very very much my dear brother... You are all kept in our prayers.

In Christ,

Efren
