January 2020 Report.

Beloved brothers.

Receive each of you our cordial greeting from Chile. We begin this year 2020 at the service of our Lord, working on the teaching of the blessed word of the Lord.

Activities Carried Out In January 2020.

E January is a month of planning for the work of the year. We agreed on our

public evangelization project by resuming our evangelization work in the city park. Spreading biblical literature and persuading people to obey the gospel of salvation. We will also be delivering printed lessons every Sunday for the brothers to take and follow the Bible studies in their homes, there will be a space every Sunday for questions about these lessons.

In church meetings we have the brothers we teach presenting various themes of

exhortation, encouragement and consolation.

Brother **Rubén Toledo Robles** is presenting lessons from the letter of the apostle Paul to the Romans in Sunday Bible studies. Thursday also teaches the Gospel of John.

Brother **Nelson Moraga** has been teaching about the 7 churches of the apocalypse.

My job as an evangelist to the congregation is to present the Sunday sermons, morning and afternoon. Also teaching the unsaved and attending to the spiritual needs of the brothers and teaching in the homes.

Other things

- I keep videotaping the Bible lessons I teach on Sundays to send to brothers in Chile, Argentina, Peru, Ecuador and Uruguay. This effort has resulted in helping several small groups of brothers who do not have permanent preachers, being useful in their learning of the word of the Lord.

Work Plans In The Chiloé Archipelago, Southern Chile.

The Chiloé archipelago is located at the southern tip of Chile. Also called Isla Grande de Chiloé, it is made up of a large number of smaller islands and islets. The archipelago has an area of 9181 km² (5,710 M²). It has an approximate population of 170,000 inhabitants.

ANCUD It is the city where the church of Christ is. For being so far away they are not always visited by the brothers of the continent. They are always looking forward to the visit of faithful brothers. Attending to the invitation of the brothers, if God permits, I am planning to travel with my wife, from

February 24 to March 1, 2020.

In September 2019, brother Josué Hernández and his family moved from Achao to Ancud to support the church in that town after the death of brother Eduardo Vázquez preacher in Ancud. Brother Josue gives great service to the Lord and to the church in Ancud. It will be a good opportunity to be with the brothers for a week teaching the word of God, presenting biblical lessons to strengthen the faith of the brothers in Ancud.

My beloved brothers. I am very grateful for the effort you make to support my gospel preaching work in Chile and South America, Our God bless you.

It is my longing and prayer that we can continue working together for many more years, bearing the blessed word of the Lord throughout South America.

Do not stop praying for the evangelistic work I do for the glory of our Lord.

His brother in Christ,

Emilio Acevedo.
