## ***REPORT OF THE MONTH OF NOVEMBER AND DECEMBER 2019***

The peace of the Lord and his mercy is always with you.

I hope you are well with your loved ones.

I thank God once again for all the blessings he has given us in the year 2019.

In the month of November a new soul was born for Christ, our friend and

now brother William.

I was also working with the indigenous brothers in the San Juan neighborhood in Maracaibo, thank God this congregation is growing every day. Some brothers help with food that they send through me.

In the month of December, new brothers were also born, Brother Andrés and our sister Rubia. We ask for your prayers for these new brothers.

For the glory of God we continue to work every day, visiting the brothers, preaching the gospel and doing discipleship every week.

We ask your prayers for the church to continue growing in our country and for us to have peace and tranquility.

I ask for prayer for my family and for my person so that the Lord continues to give us health and the willingness to continue working on the work of the Lord.

Thank you for all the collaboration provided and for all your support.

His brother and servant: José Gregorio Díaz.
