**North Beach church of Christ, Ft Worth, TX. U.S.A. HAPPY  
NEW YEAR 2020 FOR ALL MY BROTHERS.**

We have reached the end of one year and the beginning of another, and we are very grateful to our God for preserving us in faith and in this life.

It is our desire that this NEW YEAR be full of joy and blessings God.

We continue to pray for Venezuela so that with God's help we can get out of this difficult situation.

**Church in Maturín centro.**

**THANKS TO GOD.** Infinite gratitude we have with our HEAVENLY FATHER for giving us strength as his people, in a difficult year, but we always saw his help in our faith.

At the last worship meeting of 2019, we share in our personal farewell greeting the joy of being children of God, and the desire to continue serving and worshipping the Lord.

Already in this 2020 we are ready to continue doing work in the kingdom.

**DESIDERÁTUM.** If the Lord allows me, a subject that I wish to propose and promote and share this year in the churches of Venezuela that invite me to preach, is the importance of faithful men rising up in the churches, biblically qualified to be elders (bishops-pastors) and deacons, to meet this need in local churches. There are congregations in the country that are 30 and 40 years old, and work so far with good evangelists and brothers who collaborate, thank God. But the lack of service of these brothers is still valid.

**HAPPY NEW YEAR.** Happy 2020, may our God prosper you in everything with your family, especially in the spiritual and eternal.

**GRATITUDE.** My deep gratitude beloved brothers, your prayers, communication and participation with me in this effort during the year that ended. By 2020, if God gives us life, we will continue to work together.

So far this newsletter. If God allows it, it will be until the next edition, in the meantime, the Lord will continue to bless us richly. Goodbye.

In the love of Christ,  
Antonio and family.
