North Beach church of Christ, Ft Worth, TX. USA

Greetings, beloved brothers, it is our desire that you have begun well, with health and with every blessing from God.

The first month of the new year has passed and by the grace of God we remain firm and face the struggle that we have had to wage in this time with the strength of Christ (Fl. 4:13).

Church in Maturín center.

Two blesses and protects his people. The brotherhood in downtown Maturín continues, each one attending the daily task in this context that demands a lot of human effort to maintain existence, but all embraced to the faith.

In this time we have dedicated ourselves more to the study of the word to strengthen the faith and good brotherhood.

We have reviewed the road since we started this work in Maturín center, arriving from Barquisimeto where we had established two works (Pueblo Nuevo, in the west and Barquisimeto center) starting the preaching, and the only Christian who was this purpose in this sector of the city was this server, made this reference the situation of the work is like this:

INFORMATION OF THE CHURCH IN MATRIN CENTRO.

* Baptized so far: 45 people.

_1 deceased. Cristóbal Maestre.

. 1 in Spain. Mirugia Arteaga (first person baptized in Maturín center).

. 1 in the church of the South for being close to home. This was a liberal group that asked for our help and abandoned liberal practices and is now the second faithful church in the city and the two churches cooperate with each other.

. 4 in Peru. Ana Caro and Rafael Farías and family.

. 5 in Brazil. Carlos Serra and Javier Vargas and family.

*** CONGREGATION.**

. On Sundays, when all the members who are faithful, plus children, family members and guests, gather from 40 to 45 people. This number varies from Sunday to another.

The country situation has hindered people for their mobilization due to the crisis in transport and the shortage of cash dispensed by banks. Above all these, the work of God continues to redouble its efforts with the help of God.

Brothers outside Venezuela have helped some faithful families, members of the church, with food and medicine. These brothers have asked me to make their thanks known to the brothers who, with fraternal love, have sent this benevolence and wish every blessing from God to them.

So far this newsletter. I also express as always my gratitude to you beloved brothers who have communion with me in this effort to carry on the work of the Lord in this place. Thank you for your prayers and communication. If God permits it will be until the next edition, in the meantime God bless us richly, goodbye.

In the love of Jesus,

Antonio and family.
