**My dear Brethren, I hope my letter finds you in good health. My wishes are that your work continues to prosper, and that your congregations allow you to do your work with joy. In behalf of my family, I thank you for your financial and spiritual help.**

**Brethren, I would like to tell you that this month things are almost back to normal. Our attendance is very encouraging on Sundays, but on Tuesday is not that great, but I trust it will get better.**

**I would like to tell you that Brother Jose Olivares is now attending our worship services with regularity. Jose and Sister Idalia are putting a lot of effort to be faithful to Christ and His church. They are re-directing their attention to the spiritual things, we are so happy for both of them.**

**My wife and I continue with our Bible class with Sister Alma Castillo, our class is every Tuesday morning now at 11:00, this class is once in her home, and once in ours. We started again our Bible with Jose & Idalia. This class are every Thursday night at 7:30 in our house.**

**The class with Gerardo and Diana is on again, this class is on Fridays at 8:00. We are studying the book of Revelation, we just started chapter 2, the message to the seven churches. We hope that we can start this Bible class with Miguel Ramirez this coming Saturday.**

**Our Sister Ignacia Torrez continue very ill, all our congregation are in touch with her. One thing is very heavy on her is her inability to go to church. She wants to be there, she miss being there, she have a strong desire to be there. Sometimes she goes on Sunday evening but is very hard on her. Please keep her in your prayers, God willing she will be 88 years old. Sister Torrez at her age continue to be a great example of grate faith to all of us.**

**On the 17-20 of this month my wife and I, visited with the Wafer congregation at Pasadena Tx. They have been asking to go and visited. On Sunday the 19<sup>th</sup> my brother Jorge and his wife Nereyda, visited our congregation. I am very sorry that I was not here. Hope they continue attending.**

**My wife and I visit this month two times with the Pleasant Grove congregation, I spoke twice God's word. We also visited once with the church in Castleberry, they ask me to present the lesson.**

**May God Bless every one of you, please keep us in your prayers.**
