Comodoro Rivadavia, 5 March 2020.-

Dear brethren, I want to greet you all, hoping that at the receipt of this letter you will all be well enjoying the blessings of our beloved God and the Lord Jesus.

TRIP TO PUNTA ARENAS AND PORVENIR(CHILE): In February 2020 travel to Punta Arenas with my lady, Sandra Schmidt, with the purpose of being with the brothers there on Saturday 15 and Sunday 16. On Saturday we had a Bible study "how to do the work of evangelism", and on Sunday the 16th preached about Lot's wife. Emphasizing that we must obey all the commandments given by the Lord Jesus not just some.

There are five young brothers, they gather in the house of the parents of one of them. I only miss one sister for work reasons at meetings. This March Brother Ralph Michel will travel to see you and in April Brother Emilio Acevedo (both brothers from Chile) for this reason the next trip would be for the month of May, if God allows it. Although this also depends on the weather since by that date we are in autumn, and being a place very south of the continent occurs cracks and heavy snowfall that are dangerous to traffic. If it's not possible by that date, then I'll be there for spring.

Punta Arenas is located 1030 km from Comodoro Rivadavia 13/14 hours by car.

Church of Christ in Rawson: My intention is to visit these brethren on Saturday, March 7 and Sunday, March 8. This time I will go with my wife and my mother, Luisa Mariman. I will give the Bible study of the Sabbath and preach Sunday in this congregation.

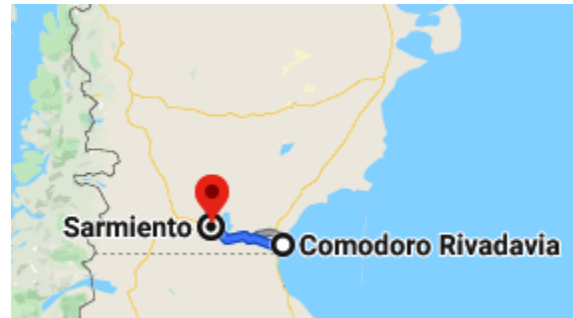

Rawson is 380 km from Comodoro Rivadavia. 4 hours trip

Church of Christ in Comodoro Rivadavia. On Sunday, February 23, he preached about Paul and Silas' imprisonment and the attitude we should have if "bad things" happen to us for doing God's will. On Sunday, March 1, I would ask about the question asked by the jailer "What should I do to be saved" given that there are people attending who do not yet obey in the gospel of Christ.

Sarmiento: I continue to go to Sarmiento to hand out treatises and stick flyers on the public road inviting people to have studies at home and to gather.

The city of Sarmiento is located 140 km from Comodoro Rivadavia

In this city the Sunday meeting is at 19 hs.

Epuypén (Chubut Province): A Stella Salones and Amalio Reyes were baptized in this town in February. They were baptized by Rawson brothers Jorge Sosa and Mabel Gonzales (Stella is Jorge Sosa's niece) In February brothers Jorge and Mabel went to visit their niece in Epuypén and shared the gospel to her. After listening to them, they asked to be baptized. After being baptized by brothers Jorge and Mabel, Rawson returned to their city, leaving these two people there alone.

Rawson's brothers asked me if I could come and visit them in order to teach them more and see the possibility of us rejoining with them on a Sunday, so I'm seeing the possibility of making a date with these new brothers so I can visit him.

Evangelism in Comodoro Rivadavia: We continue to hand out treatises and have gone to visit two people in their homes. They listen but don't even attend meetings.

Epuypén is 680 km from Comodoro Rivadavia, about 8 hours by car.

Rio Turbio (province of Santa Cruz): Back to my city after having been to Punta Arenas, I did a small work of evangelism in a small town bordering Chile called Rio Turbio in the province of Santa Cruz.

Take advantage of the fleeting passage through that town to hand-deliver invitations to study the Bible remotely while pasting flyers on light poles for the same purpose.

Rio Turbio is 1020 km from Comodoro Rivadavia, about 12 hours by car.

Financial support : It is the same that I have received for years, without variation in amount, being those who help me two churches and a family from the United States.

I pray for your prayers for the works in which I am working and supporting, so that the Lord will give me encouragement and health to move forward, so that there will be doors of evangelism in these and other cities. Same as you pray for my family.

God blessyou, your brother in Christ Alexander Correa ■
