Comodoro Rivadavia, 18 of April 2020.-

Dear brothers, I want to greet you all hoping that upon receiving this letter you will all be well enjoying the blessings of our beloved God and the Lord Jesus.

## - R E P O R T -

In this report there is not much to comment, due to the pandemic caused by the Covid-19 virus, worldwide.

Quarantine is mandatory: Here in Argentina, we have been under mandatory quarantine since March 20 by presidential decree. Right now we are going through the third quarantine in the country. So people are not allowed to circulate on public roads, mass meetings, etc. For all this, nothing can be done. The borders of the country are closed as well as that of the provinces and municipalities.

My city is divided in two by a hill (El Chenque). This hill divides the city into the north and south zones, and it is strictly forbidden to go from one area to the other without compulsory permission for any work activity. In cars, they only allow two passengers to walk, one seated in front and the other behind. Half of the brothers live in the northern zone and the other in the southern zone, making it impossible to go through police checks. Doing so would imply that the vehicle would be hijacked, very large financial fines and a judicial process, with the risk of being imprisoned.

**Covid-19 in my city:** Thank God in the city and province where I live (Chubut), there is only one positive case, of a man who had returned from Brazil, this case only occurred on Tuesday, April 14. By immediately taking the pertinent measures regarding this case, to date there are no contagions in the city. To go out on the public highway we must take all the necessary precautions, face mask, disposable gloves, etc.

**Health status of the brothers:** The brothers here, Comodoro Rivadavia, and other brothers where Rawson, Sarmiento and Punta Arenas (Chile) collaborate are all in good health, thank God. My wife and children, like me, are fine.

**Activities:** We have had activities only by video calls by Whats App. They are in order to keep us animated to each other, until the day we can meet again. Also personally, I have participated in video conferences by Zoom with brothers from Spain, Mexico, El Salvador, Colombia.

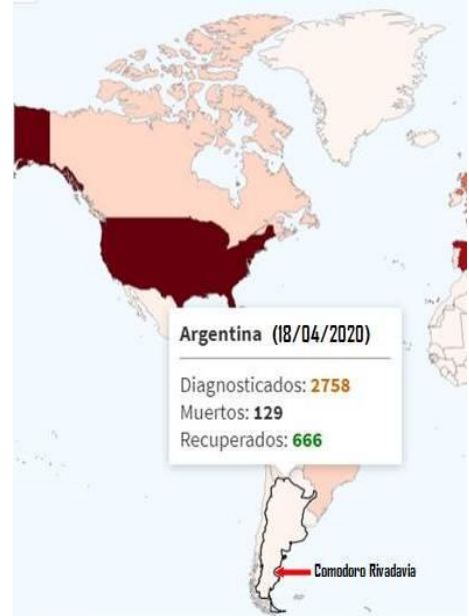

**Financial support:** Due to the quarantine at the beginning of the month, the Western Union stores were closed but this is normalizing, and the aid they send can be withdrawn without problem. Money Gram still does not know if it attends.

I beg your prayers. God bless you, your brother in Christ Alejandro Correa ☐
