REPORT MARCH 2020

The grace and peace of the Lord be with you all. We are very grateful to our Lord and Savior and also to all of you for all the help and great support. Thank God we continue working without stopping; we are working with some limitations for the causes in which the world lives for the covid-19.

We are meeting in the houses and we continue studying the word of God and preaching the gospel to the lost.

The situation in our country is getting more difficult every day; we ask for your prayers that things will improve for us soon.

We also ask for your prayers for the church so that all.

I ask that you are praying for my family and myself so that the Lord protects us and saves us from all evil.

This month we also have a new sister named Williana, for the glory of God.

Thank God and all of you I have been able to continue working in the Lord's work.

Your brother and server, Jose Gregorio Diaz.

Peace and Mercy.
