

Apr 2019 report

Dear brethren,
Hope all is well there.
About the congregation:

Most all are well now, after some colds and sinus issues.
Sister Dorothy Warren , who has AFIB and congestive heart issues, is continuing to do much better. She is weak, but is still making sunday morn worship.

Sister Rachel Scheuerman is still doing good. She has a fulltime job now, but her schedule is erratic, making morning worship and wed nite classes difficult to make. And, she still has her 3 grandkids. She is doing pretty well, but needs prayers for strength. So far she is usually able to make at least one service a week, sometimes more.

We are still working with sister Deb Westerman in trying to get back to worshipping regular, but she is still having spiritual, personal, and family issues. Please pray for her.

Sister Nancy Crws lost her mother in the middle of Apr. She is doing well for now. Keep her in your prayers.

All other members seem to be doing well spiritually, especially with some of the extended family issues they are having.

We had no visitors in April.

About Glenda and me:
Glenda has been getting positive blood tests recently. Not great results, but positive. She hasn't had to have blood in almost a year! (She does tire very easily and often.) We attribute the progress to everyone's prayers for her, so thank you all so much.

I've been having pretty good health recently, so hopefully that will continue. I will be doing a Wed nite lesson for the Old Granbury Road church on May 5th. Talking about Sarah.

Physically and spiritually we continue to do well. Again, thanks for your support and prayers.
