

5/13/20

Dear brethren,
Hope all is well there.

Everyone is still well here.

Have been having in-person worship for last three weeks. Feels very good. Based on our auditorium size and our numbers, we all decided to start back with "in-person" worship on Sunday mornings. We all feel that we all pay special attention to our potential situations and already are very social distancing aware and therefore we are good for an hour or so to worship. 1st two times, masks were required, but now they are optional. Some do, some don't.

I'm still sending my N.T. class study notes to all the members to encourage in-home study.

Just praying this will not last too long nor take too many lives.

Praying for Christians there and everywhere during these times. Maybe this pandemic will cause many to reconsider their spiritual condition and be more receptive to the Word.

Sister Rachael Scheuerwman's mom passed away. Keep Rachel and her family in your prayers please.

Lora Cotton's mom, Hope Doss is having continuing memory issues. Please pray for that family.

All other members seem to be doing well spiritually.

About Glenda and me:

Glenda is still doing O.K. As I noted in last letter, last blood work was still good, all things considered. We appreciate everyone's prayers for her, so thank you all so much.

I've been in good health, so hopefully that will continue.

Physically and spiritually we and the congregation continue to do well. Again, thanks for your support and prayers.

We ask you to continue to remember our country, as it is not looking good for God's people in the coming years. All we can really do is pray to God to help us in His work, come what may.

Apr 2020 support:

Midway.....\$1500/mo

North Beach.....\$500/mo

Weatherford.....\$600/mo

We continue to pray that the Lord's Word will spread.

Thanks again for your prayers and support.

In the Lord

David Reeves
