Report May 2020.

Dear brothers.

Receive my fraternal greetings.

We thank God for his mercy shown to us in the midst of this Covid 19 pandemic. He has kept us to this day. Although there is a family infected with the virus that is quarantining and recovering.

We are still unable to meet at the church premises by order of the health authorities, which prohibit social contact. Sanitary measures have brought many difficulties to brothers who work in commerce, those who go out to sell their food products, bread and cakes, etc. Sisters who work in a restaurant that have closed and have not worked for 2 months. All of this has become very difficult. We have all come together to help the brothers who are in a worse situation by sending financial aid for their basic needs. We also work on teaching the blessed word of God, giving comfort and praying with our brothers to face these difficult times together. Adversity has made us improve our love for our brothers. It is time to bear fruit of generosity and make brotherly love flourish.

## **WORK OF BUILDING AND STRENGTHENING OF THE SAINTS.**

Since we cannot meet at the church premises, we are using all available means to continue teaching the word of the Lord. The ZOOM platform is very helpful in our efforts to keep the brothers' faith strong. We do Bible studies on Tuesday, Thursday, and Sunday morning and afternoon.

I also keep recording and sending videos with hymns and Bible lessons. All this has come to be of great help to the brothers in distant places who can receive these videos and hear the teaching to strengthen their faith. The grateful brothers write to me for the concern and help they receive from this evangelistic effort.

I send printed lessons to one of our sisters who is deaf.

Brother Rubén Toledo also sends several Bible lessons with messages of encouragement through WhatsApp.

## **WORKING IN PREACHING THROUGH THE INTERNET.**

This month I have participated in the teaching of the word of God with churches of Christ in Chile, Colombia, Ecuador, Peru, the Dominican Republic, Uruguay and Spain all this through the ZOOM platform. Sometimes I have commitments to teach Monday through Sunday. I am very encouraged to be active in teaching the word. I thank God that I can be working, even though due to the circumstances I am locked up at home by COVID 19. Being diabetic with my wife, we are considered high risk people in case we get infected.

I preach for brothers in southern Chile. They join the meetings of Biblical studies that I present to the church of Limache, brothers of Ancud, Loncoche. Also Montevideo, Uruguay and Ambato Ecuador.

I am in contact with the brothers from Punta Arenas, they remain firm in the faith despite the difficulties experienced by Covid 19. I am informed that Jarol, a young man who came to study the word of the Lord with them obeyed the gospel and he was baptized for the forgiveness of his sins (Acts 2:38).

Some of the announcements of the Bible studies that I have made for some churches.

Dear brothers: We praise our God who guards us in the face of any circumstance. He is our protector in times of distress and our sustainer.

Do not fail to remember us in your prayers. We are praying for all the saints around the world that God will protect us under his powerful hand in these difficult times.

I thank you with all my heart for your financial help that you send me every month for my work of preaching the gospel in Chile and South America.

"But my God shall supply all your need according to his riches in glory by Christ Jesus" Philippians 4:19.

His brother,
