REPORT FOR THE MONTH OF MAY 2020

The peace of God and his mercy be with all of you and with your families.

Thank you and honor our Lord and King.

Our country is going through a bad situation but this does not stop us from working in the kingdom, we continue without stopping.

In this month we closed the doors of the meeting place, the city where we live is the center of the pandemic, but thank God to date there are no brothers infected by the Corona Virus.

We continue to do the house meetings to study the word of God and take care of the brothers and help them continue,

In this month I have frequently visited the Indigenous brothers to help and encourage them every day.

We continue to share the gospel and teach the word of God.

Renzo Orozco was baptized for the glory of God and now he is our new brother in Christ Jesus, I ask for your prayers for the Lord to help him move forward.

I ask for your prayers for our country and for the church so that the brothers can bear this situation.

I ask that you pray for my family and myself so that the Lord gives us much life and spiritual health.

Thank God and all of you, we are very grateful.

God bless and keep you.

His brother and server: Jose Gregorio Diaz.

Peace and Mercy.
