

Warmest greetings to you and all my Christian brethren at North beach.

Hope and pray that all the saints at north beach are safe from the covid 19 and doing good.

From March 22nd we are doing all teaching and worship services on Zoom app. Working with other Churches in other states too. We are conducting daily Bible classes via zoom and have participants from both the states and Mumbai as well. The lockdown is opened and the transportation is on and I am going to work from last week .

We are earnestly praying for you all.

Many thanks

Kind regards,

Y.Surender
