Dear brethren,  
Hope all is well there.

Everyone is still well here.

In-person worship is going well. Feels very good. We discussed the latest, and everyone wants to continue with only Sunday morning worship in-person for another month, but we will encourage masks for the time being. I'm still sending my N.T. class study notes to all the members to encourage in-home study. All have commented that they are using the study notes. The

Please keep sister Rachael Scheuerwman in your prayers. Rachael seems to be doing O.K. for now.

The Cotton's son Brian, as I mentioned before, is living with them. He is coming to worship with them and has a job. He seems to be trying to get his life back together. Lora's mom hope is still up and down with her memory and health issues, so prayers for them are appreciated.

Sister Brenda Bullock is having some ulcer issues and would appreciate prayers as well.

All other members seem to be doing well spiritually and physically.

No visitors in May.

About Glenda and me:

Nothing new with Glenda. She is still doing O.K., but gets very tired very quickly. We appreciate everyone's prayers for her, so thank you all so much.

I continue to have good health, so hopefully that will continue.

Physically and spiritually we and the congregation continue to do well. Again, thanks for your support and prayers.

We ask you to continue to remember our country, as it is not looking good for God's people in the coming years. Hopefully the pandemic and the protesting / rioting will cause more to evaluate their spiritual condition and turn to or back to the Lord. All we can really do is spread the Word, and pray to God to help us in His work, come what may.

June 2020 support:

We continue to pray that the Lord's Word will spread.  
Thanks again for your prayers and support.

In the Lord
