July 2020 report

Dear brothers.

Kind regards from Chile.

Another month has passed with this pandemic. We thank God for his mercy shown to us, although it is true that several brothers got Covid 19, but they did not suffer severe consequences like many people who lost their lives. We praise our God for his mercy! The health authorities have banned all social contact and the state of sanitary emergency extended until September 30. These measures have brought many difficulties because we have several brothers without work, this has become very difficult. The brothers in the best situation do our best to help the brothers in need, sharing and providing financial and food aid to meet their basic needs of those most in need. Fulfilling the orders of the gospel and thus practicing brotherly love.

WORK OF BUILDING AND STRENGTHENING OF THE SAINTS OF THE CHURCH OF CHRIST IN LIMACHE.

We continue our evangelistic work through the ZOOM platform, which has become very useful in our efforts to strengthen the faith of the brothers. We carry out Bible studies for the church in Limache on Tuesdays, Thursdays and Sundays in the morning and afternoon.

I continue to record videos with hymns and Bible lessons every week. As I have told you before, I upload these videos to my You Tube channel where many brothers have access to hear them.

We are very attentive to the needs of the local church, we make extra efforts to help them strengthen their faith, we care about the brothers who do not handle cell technology and we use other means to help them. Together with Brother Rubén Toledo we send messages of encouragement through WhatsApp several Bible lessons.

WORKING FOR PREACHING THROUGH THE INTERNET

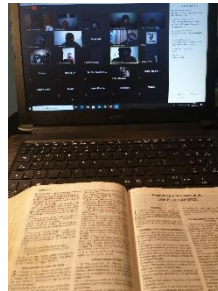

My preaching work has increased during these pandemic months, I have preached for several churches, sometimes every day of the week I have given Biblical teaching through the ZOOM platform. Brothers from Uruguay, Ecuador, Peru, Mexico, Nicaragua, Colombia, Venezuela etc. are present at our virtual meetings.

In July I preached for the churches of Christ in Colombia, the city of Zipaquirá, Ibagué, 4 churches in Bogotá.

Peru, Church of Christ in Catacaos, I am presenting a series of preaching about marriage on Mondays and Thursdays.

Nicaragua, I preached for the Church of Christ in Matagalpa.

Although you may not travel in a pandemic, we can meet online and preach the powerful word of the Lord.

In front of my computer teaching the gospel. Some of the announcements from the Bible studies.

Dear brothers: Every day the mercies of God are new and our hearts are filled with expressions of gratitude and praise, every day we have new reasons to glorify his holy name.

Do not stop remembering us in your prayers, we mention them in ours every day. I thank you with all my heart for your financial support that you send me every month, this helps me to carry out my work of preaching the Gospel of Christ in Chile and South America.

"My God, then, will supply all that you lack according to his riches in glory in Christ Jesus" Philippians 4:19.

His brother,

Emilio Acevedo.
