Report August 2020.

Beloved brothers.

A fraternal greeting to all of you from Chile.

Here we remain confined and with restricted movements due to the pandemic. We thank the Lord, because this month we have not had any siblings infected with Covid 19. We praise our God for his mercy!

The situation continues to be difficult, as we have several brothers without work. The better-off brothers continue our efforts to help the brothers in need, sharing and providing financial and food aid to meet the basic needs of the most affected brothers. Thus we face these stormy times, trusting in our God who will always provide our needs.

## **WORK OF EDIFICATION AND STRENGTHENING OF THE SAINTS OF THE CHURCH OF CHRIST IN LIMACHE.**

We continue our evangelistic work through the ZOOM, Skype and WhatsApp platforms, which have come to be very useful in our efforts to teach the Word of God and strengthen the faith of the brothers. We conduct Bible studies for the church in Limache on Tuesdays, Thursdays, and Sundays in the morning and afternoon.

Every week I post videos with hymns and Bible lessons to my YouTube channel where many brothers have access to hear them. This evangelistic effort has brought spiritual benefits to several brothers in South America who write to me expressing gratitude for this work.

Brother Rubén Toledo is presenting Bible lessons on marriage, touching on topics such as: abortion, homosexuality, divorce, etc.

We are very attentive to the needs of the local church and we strive to help them strengthen the faith of our brothers in Christ.

## **WORKING PREACHING THROUGH THE INTERNET.**

As I have told you before, my preaching work has increased these months of pandemic. I am preaching the Word of God for several churches in neighboring countries through the ZOOM platform. Brothers from Uruguay, Ecuador, Peru, Mexico, Nicaragua, Colombia, Venezuela, etc. are always present in our virtual meetings.

In August I preached for the church in the north of Bogotá, Colombia, a biblical series for four days. The theme was: "The church, the eternal purpose of God" I am also presenting biblical teachings for other churches of Christ in Colombia.

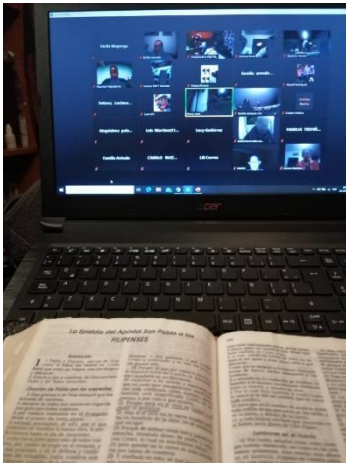

Sad news that I received from Colombia was the death of 46-year-old brother David Jerez from cardiac arrest. David was my traveling companion when I was preaching in Colombia in 2018 (II Corinthians 5: 1-5).

Let us pray to our God for his wife Marisol and their little son. I preached on the Zoom platform for the church of Christ in "El Rincón" of Suba, Bogotá, where brother David was a preacher.

On August 11 I had the opportunity to preach the word of God for the church of Christ in "Dos Hermanas" Seville, Spain.

Although it is not possible to travel due to Covid19, which affects the world, we can meet online and preach the powerful word of the Lord

Dear Brothers, I thank you with all my heart for your fellowship in my work of preaching the gospel. Our merciful God bless you and keep you in these difficult times that the world lives. We glorify God, for his mercies are new every day and our hearts are filled with expressions of gratitude and praise, we always have new reasons to glorify his holy name.

Do not stop praying for us and for the work of preaching the gospel of Christ in Chile and South America.

His brother,

*Emilio Acevedo.*
