

Greetings to the elders, deacons and all the members in the Church.

I thank one and all for all your prayers encouragement and support. We are still doing all our services in Zoom. God willing we are planning to move into the church building in the 3rd week of this month.

On 14th of this month one sister (Ramya) was baptized into Christ. The Lord added to her to our local congregation.

On 20th I have preached in a house meeting. I once again thank and express my gratitude to all the saints in the Church.

Attached some pics.

Brotherly,

Y.Surender
