

My greetings to you, to your loved one and to all the elders, preacher, deacons and to all the saints there in the name of Jesus Christ.

As to my works here in the past month, only one was baptized named ;

OCTOBER 18: Sunday service in Jasaan, brother Narcing and I went there and after the service we went back to Longos for lunch, then went to San Antonio, brother Narcing for the service with his family and other brethren near his vicinity while I went to Chona's house (my daughter) for the service there. Around 4:30 pm when I went back to Longos for the service here, 7:00 in the evening when we finished our service here.

OCTOBER 19-20: My discussion with the Pastor of Universalist, Haziel Garcia, Mark Manalo, and Leo Lantok which was regarding to his post on Facebook. Revelation 21:5. Mr. Garcia emphasized the phrase "I make all the things NEW." That is why no more hell, all the people are new, no more bad people. Because God through His mercy and grace and love, all will go to heaven. I never gave him a chance for his wicked and wrong interpretation. I never leave him, not totally destroyed. I gave them a chance to debate with me on Facebook live stream but no one stand for their wrong beliefs.

I challenged them to my timeline for them to prove that Hell is only an illusion, however they kept silent.

Some of my other works in Facebook is to edify the brethren abroad.

OCTOBER 30: I drove my service FX to the car washer boy, the owner of the car washing heard my preaching.

OCTOBER 31: Saturday, I went to the mute brethren and tried to restore them, another mute heard my preaching. His name is Romeo Pagdangayanan, the baptist pastor. He appreciated my preaching and promised to listen again.

NOVEMBER 1: Sunday Service, Typhoon Rolly hit our country. We were on signal number 3 but we were blessed in having a chance to served Him here in Longos inspite of the Typhoon. Brother Narcing handled the service in both San Antonio and Dahican while brother Venson handled the service at Jasaan.

In the whole New Testament, there's only one body (Eph. 4:5)

JEHOVAH'S WITNESSES

Bibles Student

International Bible Student and etc,

Jehovah's Witnesses Society (now)

The name Jehovah was according to their book 'Nangangatuwiran mula sa mga kasulatan p.191.

The word Jehovah was used on 1400 AD.

Abraham was not familiar to it.

YaHWeH is more correct but Jehovah is famous that's why they chose it.

Jehovah's Witnesses Society is out in the New Testament or even in the Old Testament.

This name is only a matter of "opinion"! (Rm 12:16)

Lots of question and explanation especially about the Way of Salvation

Mt. 28:18

Mk. 16:15-16

Mt. 28:19

Mt. 28:20

Before I leave, he offered me a snack and invited me to come again for further preaching and discussion about baptism and the precious gospel.

As to my other works which was not recorded by photos;

At Longos Publacion, I tried to convert my 'kumpare' named Boy Elve, Mario Yapana, Romeo and his two sons, as well as Rommel and Romnick together with their families. I also preached to the only son of our deceased brother Vic Magante, named Romnick who live here at Longos Highway, I'm trying to convert them but they are strongly fanatic.

As to my FX (car), there still a problem existing. The water temperature, oil gauge and battery. Also, the gear box needed to be change, and they are still making the bench. However, I can use it personally but not yet for the Church service, maybe upon the arrival of my support all these thing will be fix. It is really the nature of a secondhand car.

About brother Mario, his health is still unstable. I concentrate my free hours for him and his family to edify them.

I truly aMay God continue to bless you my dear brother.

Thank you for all the prayers brother. You, your family and all the brethren there, especially the severely ill are kept in our prayers, and hopefully that all the brethren will see each other again after this pandemic, through the grace and mercy of God.

In Christ,
Efren

BAPTISM OF BROTHER PRIMO DE ASIS
