

My greetings to you brother, together with all the Elders, Preacher, Deacons all the Saints and there in the name of our Lord Jesus Christ.

As to my work in the past month;

February 21 - Sunday Service in both Longos and Jasaan and my topic was about 'Premillennialism'. After Sunday service there, two were baptized in Jasaan.

Brother Patrick Cabanas; 30 years old; Born Again; Resides in Sta. Cruz.

Brother Andres Pacio; 45 years old; Catholic; Resides in Jasaan.

February 24 - Our bible study here in Longos but Jasaan was excluded. My topic here was about 'Tulip'. Brother Rolly and I went to his elder sister after to preach and his elder sister was convinced to obey the gospel after 2 hours but her alcoholic husband opposed it so she doesn't have choice but to obey her husband.

February 28 - Sunday Service in both Longos and Kalayaan and my topic was about 'Faith Failure'.

March 3 - Midweek bible study and my topic was about 'The different degree of Faith'.

March 4 - The group of Pentecostal Church of Christ Fourth Watch arrived here in my area, one of them named Argana tried to convert me, but later on, he end up listening to me instead and was almost persuaded on my preaching because all of his explanation were interrupted, he said he'll return for more knowledge.

March 7 - Sunday Service in both Longos and Jasaan and my topic was about 'The Pentecostal Church of Christ Fourth Watch' to edify the brethren more since these Fourth Watch said they'll be rounding here in Laguna.

March 10 - Midweek bible study and my topic was about 'The Advantage of New Testament'.

March 14 - Sunday Service in both Longos and Jasaan and my topic was about 'Christian are in the Spirit'.

Brother Rolly is very active now. He is my constant companion in door-to-door preaching.

The baranggay road in Jasaan is currently in the process of concreting it. Hopefully, by the end of this year it will be finished. At last! We will have a concrete road there, there'll be no need to

walk nor run for we can directly park in front of the Church there. But as of now, we have to sacrificed walking since the road is still under construction where the concreting starts near the church and vehicle were not allowed to enter yet. In addition, due to rainy season, we have to walk on wet and muddy road for almost half a kilometer, so hopefully next month, a summer season we will walk on a dry rough road.

Our plan to hold a gospel meeting there will be fulfilled together with the mass wedding for the brethren here. There will be 3 pairs just in case.

As to my other activities, still brother Rolly and I are continuously doing some door-to-door preaching around the vicinity of Paete and Kalayaan. My car is very convenient and useful for this. But lots of deed were not documented by the picture since some of them didn't allowed us while some were forgotten to take due to discussion.

As to my work here in Facebook, I met the group of Mr. Ron De Guzman, a Baptist group due to the Principal of Longos Elementary School where my grand daughter is studying. According to them, Baptistism is only an initiation and not essential to salvation. We had an extreme debate in messenger, but they all surrendered in the end. I even challenged them to debate in Zoom but they blocked me instead.

I'm constantly sending articles from brother Ron to my pupils to edify them and I answered their questions in messenger.

I am so lucky to have a friend like brother Jim Mcdonald... Through him my wish to become a full time preacher was granted, through him, God let me met and know you my dear brethren at Forth Worth. I am so lucky and blessed to have a supporter like you who can understand my situation...

I would also like to extend my thanks to all the brethren there at Loop through brother Jim... Thank you very much!

Thank you very much for your constant trust to my little ability in preaching my dear brethren. Thank you for all the prayers on behalf of us... You are all kept in our prayers to be free from danger and illness especially to Covid-19.
