NORTH BEACH CHURCH OF CHRIST. FT WORTH, TX.

U.S.A

Dear brothers and sisters, it is a pleasure to greet you again. We thank our Father God for giving us life on this earth until now, to Him be the glory. It is ours, that beyond difficulties of any kind, you are well, strengthened by the Lord. CHURCH: The brotherhood remains firm in the faith, waging the strong battle that has humanly touched us as a country at this time, as never before, even when we still did not have a pandemic, and when it happened, it has made things more difficult. It must be clarified that we are not being persecuted for our faith, it is not a persecution of the churches of Christ. RETURN. It gave us joy to receive again in communion Sister Andrea Gamardo, who returned from Colombia to where some time ago she went to this nation seeking to carry out an economic activity, to help support her little son, whom at that time she left in care. of her husband and her parents. She unfortunately did not do well in Colombia, and she returned to the church and fight here together with her husband and her son. We thank God for having protected her from her. FLEXIBILITY IN FEBRUARY. This month we had three flexible Sundays which was the opportunity for the church to meet all publicly, in its meeting place, of course, keeping the biosecurity standards. THE NEW NORMALITY. This time in which Covid 19 has

modified the usual functioning of the life of humanity, called the “new normality”, it has also been up to Christians to seek the ways that make it possible for us to carry out the work of God and the communion between We. Electronic devices, among others, have been of great help to keep us in touch, have Bible studies, questions and answers, attend to the needs of the brothers who require urgent attention, and support them to solve them. In this way we are managing with the help of God. So far this newsletter. Thank you very much dear brothers for communion with this servant in this effort in the work of God, in this area of eastern Venezuela. Our prayer for you is that the Lord will help you in difficulties. Let's keep praying for each other. If God allows, it will be until the next edition, in the meantime, that God continues to protect and bless us, goodbye.

In the love of Christ,
Antonio and family.
