REPORT
MARCH 2021

God bless you my beloved brothers, the grace and mercy of God be with you.

Thank you our Lord and his mercy we are well.

In this month we continue to do the work in the great work of our Lord and Savior, we continue with visits to brothers, every Wednesday we meet to study the word of God and prayers.

On Sundays in the worship service we have some visits and we all get together to worship our King and Savior.

In this month we had two new baptized for the glory of God, brother Henry and brother Leonel, I ask for your prayers so that the Lord will help them to be faithful to him.

I am also working with our indigenous brothers to encourage them and study the word of God with them.

This month I was in poor health but thank God I am better, I ask for your prayers for myself and for my family, I ask for your prayers for our country and for the church so that every day we can continue to preach the Gospel without problems.

Thank you my beloved brothers for your prayers and for all the help you give us, God bless you always.

Your brother and servant, Jose Gregorio Diaz.

Peace and Mercy.
