

# Surender – (India) May Report

---

Greetings to the elders and all the members at North beach Church of Christ. Hope that you all are doing good. we are regularly praying for all members and the brethren who are not keeping well.

Back at home by the grace of God all are doing good. The Covid 19 is very serious at present the state is in lockdown condition by the government. Many brethren are effected by the covid in our church and also with whom I am a point of contact ( with whom I am working.) Most of them are in home Isolation. From last month we are conducting all the services through online. Kindly remember us and all the brethren in your prayers.

On 16th of this month one sister was baptized, Lord added her to the Siripuram church of Christ. Brother Pochaiah preached her the gospel.

Next month on 24 June 2021 on attaining of 60 years , as per the government rules and regulations I have to retire from my Job. I worked for 34 years for this organization. (retirement is on 24/06/2021) Please remember me in your prayers. I have a burden and zeal to do much more work for the lord in the local and other churches. The Lord has opened new the doors in Karnataka state , I have the work to do beyond my strength, I need your support and prayers.

Thankfully,  
In Him
