

Y Surrender - July Report

Greetings to the elders and all the brothers and sisters at North beach. Thanks for your prayer and support.

I have received my check for the months July, August and September. I will write to you when I chase the check.

My 2nd daughter came from the US on the first of this month, I am glad to tell you that her wedding took place on the 7th of July. Due to this reason I was quite busy.

We are still conducting all our services on Zoom. Many people are not vaccinated, Lord willing we are planning to meet in the church building from the first of August.

As I have written to you in my last mails I have retired from my company, I have lot of work to do in the local congregation and with others.

Lord has opened the new doors in others states.

I once again thank all the brethren for their support and prayers.

Thankfully,
In His service
Y. Surrender.
