Reporte noviembre 2021.

Dear brothers.

Grace and peace to you, from God our Father and the Lord Jesus Christ.

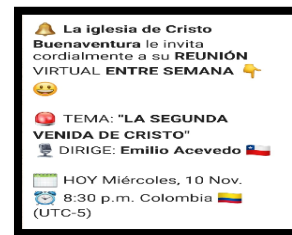

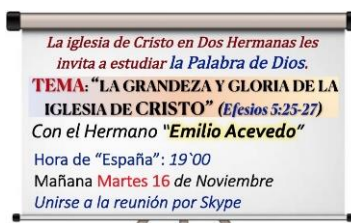

The report of the activities carried out in November by this server for the Church of Christ in Limache Chile.

I continue working, focused on the spiritual growth of the brothers in Christ. I have preached the following biblical themes:

- "Making good use of time." Ephesians 5:14 -16.
- "Marta and María" Who represents us? Luke 10:40 - 42.
- "It's time to get up!" Romans 13: 11-14.
- "What then shall I do with Jesus called the Christ?" Matthew 27:22.
- "His commandments from him are not burdensome" 1 John 5: 3.
- "A sinner destroys much good" Ecclesiastes 9:18.
- "Deviating from the faith" 1 Timothy 6: 20,21.
- "They did not want to take God into account." Romans 1:20-21,28.
- "The miraculous gifts" 1 Corinthians 12: 8-11.

The men of the congregation are always supporting the work of the church. Brother Rubén Toledo is presenting lessons on the New Testament church.

I continue teaching through the ZOOM platform, Bible lessons with some churches that ask me to present various topics of biblical teaching.

This month I presented Bible lessons for the Church of Christ in Seville, Spain. Also for the church of Christ in Buenaventura, Colombia.

Every Monday, together with brother. Marcos Muñoz, we met to teach Bible lessons with the brothers of the Church of Christ in Punta Arenas, Chile. We now teach lessons on the Holy Spirit.

Also on Mondays at 10 PM he taught with some brothers from the Church of Christ in Catacaos, Peru.

On Thursdays he taught Bible lessons with the Iglesia de Cristo in Pillaro, Ecuador.

I continue to edit, every week, Bible lessons that I post on YouTube and Facebook, this evangelistic effort reaches hundreds of people and has been of great help to many brothers in times of pandemic.

Our health.

Unfortunately my health has not been good, a sudden internal bleeding ended my preaching trip plans to Peru. The doctor recommended that I not travel because I was vulnerable to infections. I am on medicines to treat the anemia problem. In January I have to undergo endoscopy and colonoscopy again.

Inés, my wife, has controlled, with medicine, the pain caused by the trigeminal nerve, after performing the magnetic resonance the neurologist will schedule the operation. Her prayers will be of great help to us in these times of illness.

My beloved brothers, I am always thanking our God in my prayers, for your companionship and the financial support that you give me every month in my work to preach the gospel in Chile.

His brother.
