Church of Christ Limache- Chile.

Beloved brothers.

We are starting a new year. Without a doubt, the mercy of God accompanied us every day lived in the year 2022. We had a very difficult time with the illness of Inés, my wife. At every moment we observed the merciful hand of God in our favor. Our hearts are filled with expressions of gratitude and praise to our Creator.

We are facing 2023, a new year that will bring new challenges. We look forward to working hard in our mission to bring the gospel to the lost.

I thank God for putting me in communion with you giving me the opportunity to work together in the spread of the gospel in Chile and South America. Your financial support has been essential to carry out my work in the preaching of the gospel of Christ with peace of mind.

Thank you my brothers for your companionship that you have given me to this day.

THE WORK IN THE LOCAL CHURCH.

We continue working with the brothers in the church of Christ in Limache, waiting for the coming of our Lord.

I am teaching several sermons on the letter of 1 Thessalonians and other topics according to the need of the congregation.

- "Their Election By God" 1 Thessalonians 1: 4-5.
- "A Church Worth Imitating" 1 Thessalonians 1:7-10.
- What Is Our Hope, Glory And Joy? 1 Thessalonians 2:17-20.
- "Edificándonos y consolándonos unos a otros" 1Thesanolisences 5:11.
- How Can I Clean My Heart? Psalm 51:10.
- "Look, then, how you hear" Matthew 13:43.
- "What the Death of Christ Accomplished" 1 John 3:16.
- "If you love Me, keep My Commandments" John 14:15.

The brothers who collaborate in our work in the congregation are: Rubén Toledo, Rodrigo Acevedo, Antony Jaimes and Nelson Moraga.

Brother Rubén Toledo does a dedicated job replacing me and assuming my duties when I am on a preaching trip. In addition, you present to the congregation, Bible lessons on Thursday and Sunday afternoons.

Preaching Through The ZOOM Platform.

I am preaching on the ZOOM platform every month with several churches in neighboring countries.

December 6 for the church in Seville, Spain.

December 23 I was teaching with the Church of Christ in Ibagué, Colombia.

December 27 I taught for the church in Niebla, Valdivia – Chile.

Also in our local church meetings on the ZOOM platform, on Tuesdays and Thursdays, brothers from Ecuador, Peru, Uruguay and Chile are present.

I do special work with the brothers in Punta Arenas, Tierra del Fuego, in the extreme south of Chile. The brothers there have declined in faith and others have deserted. We work with a couple that remains faithful to the Lord. I have plans to travel to Punta Arenas in February, God willing.

I have resumed the work of editing biblical sermons and putting them on You Tube and FaceBook, always the brothers receiving these biblical lessons, they are communicating to me the spiritual benefit of this evangelistic effort.

I have personalized Bible classes, every Wednesday, with Victor and Yolana, the new Christians.

Preaching Trip to the South of Chile.

God willing, I will be traveling with my wife to Loncoche, in the Araucanía region. Distant 600 miles from Limache. My desire is to visit brother Luis Machuca, preacher of this congregation, who is affected by a detached retina and is losing his vision. Our brother Luis, a 75-year-old man, is a faithful Christian who has fought to uphold the truth of the gospel in that area. I will be with the brothers in Loncoche presenting Bible lessons on January 13-15.

I will be from January 16 to 19 in the city of Puerto Montt visiting the brothers Josué and Vanessa, my nephews. I will visit the church that meets there. Remember me in his prayers for the success of this evangelistic work.

Our health.

Thank God, the health of Inés, my beloved wife, has been much better, she is already gaining weight and her diseases (Diabetes, hypertension and hyperthyroidism) are all under control. If God allows it, she will accompany me on the next preaching trips.

Regarding my health: I inform you that thank God the exams went well. Although they indicate that there is irreversible liver damage, but there are no signs of cancer or liver cirrhosis, which is what we feared. Our God has shown mercy to this servant by giving us new reasons to glorify his blessed Name.
Thank you for his constant prayers.

Beloved brothers and sisters:

I always thank our Lord Jesus Christ for the communion that you give me in my work of preaching the gospel in Chile and South America. Thank you also for your constant prayers that are a great support in our fights against Satan.

This year 2023, with the help of our God, we will continue working and proclaiming the teaching of the blessed gospel of our Lord Jesus Christ.

Our mighty God bless and keep you always,

His brother,

Emilio Acevedo.
