Comodoro Rivadavia, March 29, 2023-

Dear brothers, I want to greet you all, hoping that upon receipt of this letter you will all be well enjoying the blessings of our beloved God and the Lord Jesus, our King and Savior.

- R E P O R T -

Birthdays: In the month of March in my family we have two birthdays, that of my daughter Karina Soledad who turned 31 years old and that of my wife Sandra who turned 48 years old. Thank God that to date he has kept him well.

Trip to Punta Arenas: In February I was in Punta Arenas (Chile) from Wednesday 22 to Monday 27 accompanied by my wife Sandra Schmidt. Once there we met brother Emilio Acevedo and his wife Inesita (from Limache Chile). The purpose of the trip was to encourage the brothers who continue to persevere and see the possibility of talking to some of the brothers who stopped congregating, unfortunately the latter we could not do since, everyone was aware that we were there, nobody went to the scheduled meetings.

Only one marriage is persevering Braian Castro and his wife Lina, both are very young and originally from Colombia. In the house of these brethren the study meeting and the worship meeting were held on Sunday.

Together with Brother Emilio Acevedo we took turns, one day each, to present studies of evangelism and edification. We studied evangelism because a friend of the Maura couple attended. For several days she listened to what she had to do to obtain salvation, but we could not persuade her because she was making excuses. Unfortunately it was not the last two days we were there. But we can say that the couple (Braian and Lina) were very happy and grateful for our visit to them. They committed themselves to remain faithful to the Lord.

For this trip, the brothers of the Church of Christ of North Beach collaborated with \$ 500 dollars which served us to pay for lodging there for five days, half a tank of naphtha and food. Thank you brothers for this help. And I also received help from the church of Comodoro Rivadavia of which I am a member.

I will be traveling again to Punta Arenas, together with my wife, and this Friday, **March 31** to be with the brothers on **Saturday 1 and Sunday 2 April**, we coordinate for these dates for the work of Brother Braian. I pledged to visit them once or twice, before winter, weather permitting, as I did before the pandemic. Then I would stop visiting them in the winter and return my trip to them, God permitting me in spring (September).

Brothers if someone could collaborate with the trip to Punta Arenas can let me know, all help will be welcome no matter how minimal, since again I increase the gasoline and I travel in my vehicle.

Church in Rawson: On Saturday, March 11 and Sunday, March 12, I went with my wife Sandra to visit the brothers of the Church of Christ in Rawson. I shared with them the theme: Putting off the old life and the blasphemy of the Holy Spirit."

Local Church (Comodoro Rivadavia): In Sunday meetings we take turns preaching with Brother Franco del Arco.

Final greeting: Brothers I bid you farewell as always begging for your prayers for us, at the same time we pray for you from this part of the continent.

I sincerely thank each church and brothers who help me in the monetary to continue carrying the gospel of Christ in this city, which are *"fragrant smell, sacrifice I accept, pleasing to God. My God, therefore, will supply all that you lack according to his riches in glory in Christ Jesus."*

The grace of the Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you all. He is greeted by his brother in Christ Alejandro Correa ■
