

IGLESIA DE CRISTO PRADOS DEL SUR

Maracaíbo- Estado Zulia

Venezuela

José Gregorio Díaz
Predicador

REPORTE DE MARZO, ABRIL Y MAYO, 2023

God bless you, the peace and mercy of God be with you all, I thank God and you for all the help and mercy for us.

In these three months, thanks to the Lord, I dedicated myself to working helping various congregations and thus practicing communion and the study of the word. I have had some health problems, but thank God now I am much better.

The congregations that I have visited are: Church of indigenous brothers who meet in the San Juan neighborhood. I established this congregation with my wife 19 years ago for the glory of God and many still persevere.

Another congregation is: Church that meets in the neighborhood on December 28, that congregation helped it establish approximately 3 years ago at the time of the covid pandemic, to this day it also remains faithful.

I am also working with a church that were liberal brothers, I have studied points such as: the offering only for the saints, the united worship, the institutional church and other important issues, thank God so far everything is going very well.

At the beginning of the year, 3 brothers died: brother Gilberto, sister Osiris from our congregation in Prados del Sur, and brother Jesus from the church in San Juan, thank God they were all faithful brothers.

We continue working on the work of the Lord, on Wednesdays study of the word and prayer, on Fridays studies with the men of the church. Also on Fridays my wife meets in the houses of other sisters to encourage her and study the word of God.

The situation in our country is very hard, but that does not take away our desire to work in the work of God.

We ask for your prayers so that the Lord gives us good health to continue every day in this beautiful work.

We also ask. your prayers for our country so that things can change.

My family and I are very grateful to God and to you, may the Lord multiply what you do for us and for God's people.

Your brother and servant: Jose Gregorio Diaz.

Peace and mercy.

God is good.
