Dear brothers in Christ.

Receive a fraternal greeting from Chile, where I am serving our Lord. Always in my prayers, I thank the Lord for allowing me to work in his kingdom. Also thanking our heavenly Father for the companionship that you give me, by supporting me each month, allowing me to carry out the work of bringing the glorious gospel to many places.

I attach details of the work I am doing in preaching the gospel in Chile.

WORK IN THE LOCAL CHURCH.

Together with brother Rubén Toledo we are committed to building and strengthening the faith of the brothers in the local church.

In the training of new preachers, brothers Rodrigo Acevedo, Nelson Moraga and Emilio Acevedo Jr., are presenting 20-minute Bible lessons. This is done on Sundays after worship. It is good that more brothers join in the preaching of the gospel.

BAPTISM.

On Sunday, October 1, after our worship meeting, we listened to Josefa, (12 years old) in her confession of faith and desire to obey Christ. With joy we headed to the place where we have the baptistry, and in obedience to the command of Christ Josefa was immersed in the baptismal waters. Mark 16:15,16; Acts 2: 38. We glorify the Lord for this young sister who gives her life to Christ by obeying the gospel, the power of God for salvation. Romans 1:16.

PREACHING THROUGH THE ZOOM PLATFORM.

The ZOOM platform has become a good space to strengthen the faith of many brothers. I hereby presented this month biblical teaching with the church in Chile, in the Pan de Azucar sector, Coquimbo, and for the church in the city of Puente Alto, Santiago.

On Mondays I continue teaching for the church of Christ in Pifo, Quito - Ecuador, we have already finished 1st Thessalonians and started the second letter.

I also committed to continue teaching the congregations of Garces Navas, Bogotá, and the congregation in the city of Ibagué. Colombia. These studies are at 9 P.M.

On the 14th I presented a Bible lesson for the Church of Christ in Poncitlán Jalisco, Mexico.

Always taking advantage of every opportunity that presents itself to teach the glorious gospel of our Lord Jesus Christ.

PREACHING TRIP TO THE CITY OF CALAMA, NORTHERN CHILE.

From October 4 to 10, together with Inés my wife, I traveled to the city of Calama, (950 miles from Limache). This trip was with the purpose of strengthening the faith of the three brothers who congregate in that city. That same day, after settling into the apartment that we rented to stay and also to hold meetings, since the brothers have nowhere to meet. That Wednesday afternoon, we began our series of Bible studies, each day we had visitors who attentively listened to the word of the Lord. We gave a Bible to each student, there were many questions to answer, doubts to clarify. Fortunately, the teaching fell on good ground, because three of the people who studied decided to obey the gospel. They are **Ismael Rivas** (48 years old), **Liseth Romero** (50 years old), and **Cintia Serrano** (50 years old). Now the church has six brothers. Since I returned to my hometown, I have held Bible studies with the six brothers on the Zoom platform, on Tuesdays, Thursdays, and Sundays. It is exciting to see these brothers who without fail wait for the links to hear the word of the Lord. Last Sunday there were four visitors at the meeting.

It is my desire to travel to Calama again and stay there for 10 days teaching the word of the Lord to strengthen the faith of these brothers. I must gather the necessary resources for this

evangelistic journey. Your prayers will always be very necessary for the growth of this evangelistic work in Calama, northern Chile.

Dear brothers. The Lord opens doors for us in the preaching of the gospel. Thank you for his company in the search for people who want to obey Christ. I greatly appreciate the communion you offer me in the preaching of the gospel of salvation. Deeply grateful to feel you at my side in the work I do for our Lord. His prayers are important support in my work of preaching the gospel in Chile and South America.

In the love of Christ,

His brother,

Emilio Acevedo.
