

My beloved brothers.
The requested summary of the year 2023.

January 2023.

Baptism of Alexander Hofstetter, 49 years old. He visited us at our meetings at the Limache church for two months and I gave him personalized studies.

We traveled 800 miles to strengthen the faith of the brothers in the churches of the cities of Loncoche and Puerto Montt in southern Chile. I was very happy, because my wife accompanied me, and her health is now well recovered.

February 2023.

We traveled 2,000 miles to the cold city of Punta Arenas, in Patagonia, the southern tip of Chile. We spent 10 days with the only family that remains faithful to the Lord in those distant lands. Every day in the afternoon we meet to study the word of God with these brothers. I tirelessly searched for the other Christians who were in that city before the pandemic, but they did not respond to our call. The brothers Alejandro and Sandra from Comodoro Rivadavia, Argentina accompanied us.

March 2023

This month I was dedicated to local work, working on evangelization and teaching new Christians. Also preparing the evangelistic trip to Ecuador.

April 2023.

On our evangelistic trip to Ecuador, we traveled hundreds of miles visiting different churches, there were 15 in total in the 18 days we stayed in Ecuador. The topics covered were: The family, attendance at meetings, membership in the local church, holiness, the coming of Christ and many other topics necessary for the growth of the church.

May, June and July 2023

The winter months begin, work on teaching with the local church, facing the cold winter. I made and taught a reflection on marriage at the wedding of Víctor and Yolana, some young brothers from the congregation.

August 2023.

We rejoice in the obedience to the gospel of Martina, a young woman (13 years old) who chose to serve Christ.

I also traveled to the north of Chile, the city of Calama to answer the call of a brother who asked us for help to establish the church in this city. There are 900 miles from Limache to Calama, you must travel by plane. Luis Guerrero was baptized in obedience to the gospel and José and Elianny Guerrero were restored to communion with the Lord.

September 2023.

Travel to the south of Chile. I traveled 750 miles to work teaching the word of God with the churches of Loncoche, Valdivia and Puerto Montt, strengthening the faith of the brothers in Christ.

Brothers of the churches of Southern Chile. Loncoche, Niebla and Puerto Montt.

October 2023.

We rejoice in the obedience to the gospel of Josefa (13 years old), a young woman who chose to give her life to Christ.

The trip I took with my wife to Calama was successful, three people obeyed the gospel to the glory of the Lord. They are Liseth Romero, Ismael Rivas and Cintia Serrano. Adding three new Christians, we now have six brothers who need biblical instruction. We teach them through the

ZOOM platform on Tuesdays and Thursdays. I will travel to Calama again to strengthen your faith.

November 2023.

We began a public evangelization program that covers five churches in the region. We go out to the city parks to persuade people to seek God. I visited the church of Christ in the town called El Melón to teach the word of the Lord. Five people obeyed the gospel, a complete family. We glorify God by the power of the gospel. I traveled again to Calama and stayed there for 11 days teaching the word of the Lord. There was a restoration.

Stand that we made to evangelize in the city park.

Baptism of the Álvarez family. Mario Álvarez, Alexis Álvarez, Alexis Álvarez Jr. Víctor Álvarez and Gloria Vázquez.

I spent 11 days in Calama, teaching the word of God to the new brothers. Luis Carrasquero was four years away from the Lord and came repentant to restore himself to communion with God.

December 2023.

The Lord accompanied us in every difficulty that arose in 2023. We taught hostile and irreverent people. But we find noble hearts where the Word of the Lord was accepted. I rejoice for the 12 souls who came to Christ seeking salvation and were baptized. Also the 5 restorations of brothers who returned to communion with the Lord this year 2023. We give glory to our God by the power of his gospel!

You, my beloved brothers, were an active part in this work of preaching the gospel. Your prayers accompanied us as a strong support in the fight against Satan. Your financial help allows me to work full time for my Savior. I am very grateful for your communion. His brother,

Emilio Acevedo,
