To the Church of Christ in North Beach, Texas. USA

Dear brothers.

Our greetings from Chile.

We always thank the Lord for his kindness to us that allows us to work in his kingdom. Proclaiming the glorious gospel of the Lord Jesus Christ. Although for now afflicted by momentary difficulties. Always grateful for his prayers and the communion that you give me by supporting our work every month.

A REPORT OF THE WORK DONE IN MARCH 2024.

We do the teaching work together with Brother Rubén Toledo, who is presenting a series on “THE Commandment of Offerings”, and expository lessons on 2nd Corinthians. Also brothers Rodrigo Acevedo, Nelson Moraga, Cesar Morales and Emilio Acevedo Jr. They present Bible lessons and help lead church meetings.

Working With Area Churches.

We have been working on public evangelization with some churches in the region. Our purpose is to put literature with biblical teaching in the homes of our cities and attract people with noble hearts where the word of the Lord can be sown. The churches of El Melon, (32 miles) have joined these efforts. The church at El Granizo, (7 miles).

We have taken advantage of the holidays this month to carry out evangelistic activities with the brothers of these churches. On the 29th we met with the brothers of the church in El Melon, where Brother Rubén Toledo presented the Bible lesson. On the 30th we met with the brothers of the church in El Granizo where this server presented the Bible lesson. And on Sunday the 31st we met with the church in Limache, where Brother Rosendo Ferrufino presented the Bible lesson. It was a good activity where the brothers of the churches were strengthened in their faith.

Church of Christ in Los Andes.

I received a call from Brother Hugo Gormaz, who tells me that he is meeting with a group of 15 people in the city of Los Andes (66 miles). We traveled on Sunday, March 17, together with brother Rosendo Ferrufino and we met with the brothers of the Church of Christ in that place. It was very encouraging to meet these brothers who have been meeting for years to worship our Lord Jesus Christ. We promised to visit them and help them in the evangelization and teaching of sound doctrine.

Preaching Through The ZOOM Platform.

I continue to teach Bible lessons through the ZOOM platform. I am in contact with several churches in Chile and neighboring countries. In March I resumed teaching on Mondays with the church of Pifo, Quito Ecuador. Every week I teach for the church of Christ in Sullana, Peru. I also teach with the churches of Bogotá, Garcés Nabas and the church in Ibagué, Colombia.

We carry out, through this platform, teaching with the brothers of the Church of Christ in Calama, Chile, on Tuesdays and Thursdays.

PREACHING TRIP TO THE CITY OF CALAMA, NORTHERN CHILE.

From March 21 to 24, travel to the city of Calama, to carry out biblical teachings and strengthen the faith of these new brothers in Christ. We started this work in August 2023 and we have been traveling every month to help these eight brothers in their spiritual growth. The work I did was to meet every afternoon to teach Bible teaching, answer various questions. Correct misconceptions about marriage, teach about new life in Christ, answer concerns about the

second coming of Christ. These brothers are in their spiritual infancy and need biblical teaching. Brother José Luis Guerrero is the brother with the most knowledge and holds the meetings on Sundays.

The brothers found a room where they could meet; it was necessary to buy chairs for the meeting place. On this occasion 6 unsaved people came to the Bible studies I taught. We gave a Bible to each person. I hope that the word imparted can bear fruits of salvation in these people who heard the gospel.

[My Wife's Health.](#)

As I previously reported, my wife has become ill again. Uterine prolapse surgery was to be performed, but medical examinations and ultrasound showed the existence of a cancerous tumor in that area. Surgery must be performed to remove the tumor and the organs that are involved. We are applying for state insurance, since the price of the operation is high. Inés has an appointment for April 10 with the gynecologist, where we will be informed of the date of the surgery. Her prayers will always be very necessary in this illness process. Our God is powerful to restore the health of Agnes, my beloved wife.

Dear brothers, We always try to serve the Lord faithfully under any circumstance. His prayers are always important support for us in these difficult times we go through. We greatly appreciate the communion you offer us in our work of preaching the gospel in Chile.

In the love of Christ,

His brothers,

Emilio e Inés.
