Report March 2016

Dear brothers.

Fraternal greetings to all from Chile.

A report of the work carried in preaching the gospel in March 2016.

## ***Our health.***

Thank God my health is stable at the moment, I have overcome the problems that have worried me months ago. The health of my wife is also stable at the moment and we have necessary strength for continue working in the Lord's work.

## ***The Church of Christ in Limache.***

Where I am a member and preacher. We continue our program edification of the saints and the propagation of the gospel in this city. Mrs. Leonor, who received our Bible lessons in the city square, she has been visited the church meetings. We hope that the study of the word of the Lord to help and to obey the gospel.

## ***Preaching trip with churches in southern Chile.***

- 1. Church of Christ in Loncoche.** From 25 to 27 March traveled, with my wife, Loncoche, distant city 560 miles south of Chile. We had three nights meeting with the saints there, where I presented lessons according to the needs of the church. Preach here Bro. Luis Machuca, a faithful and Christian worked. There is a membership of 25 brethren.
- 2. Church of Christ in Niebla- Valdivia.** From 1 to 3 April, we traveled to the city of Valdivia and then visit the Church of Christ meets regularly in the town of Niebla (610 miles Limache). These were three days of teaching the word of God. The preacher in this church is the brother Marcos Muñoz, a dedicated and efficient worker of the Lord. The church has 30 brethren.
- 3. Evangelism in the archipelago of Chiloe** On 28 to 31 March, we traveled to the island of Achao for visit my nephew Josué and his wife Vanessa. From the first day, we started teaching the word of God. Every day, morning and evening had many Bible questions. So it was on Thursday March 31 Josué Hernández Acevedo (32 years) and his wife Vanessa Cárcamo (25 years), they decided to wash their sins (Acts 2:38; 22:16) being baptized for the forgiveness of his sins, in the shore of the Pacific Ocean. I can not leave these new brothers alone, so I decided to return to Achao on April 15 and stay there for 10 days to confirm them in the faith and teach them all the

things the Lord has commanded (Matt. 28:20). Achao Island is 900 miles from where I live in Limache. There is not Church of Christ there. The archipelago of Chiloé is a extensive sector south of Chile where the gospel truth has not yet come.

Dear brothers, pray pray for this server and the work we are doing for the glory of our Lord Jesus Christ.

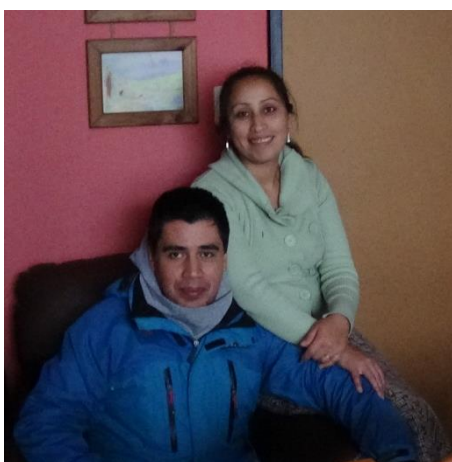

His brother,

*Emilio Acevedo.*
