In Limache we continue to work on the edification of the saints. The brothers Ruben Toledo, Rodrigo Acevedo & Emilio Acevedo Jr., a great service in teaching the local church, this allows me to work in the teaching of the Word of God in other parts of Chile and South America.

## **Preaching trip to Peru.**

From 5 to 19 May I was working on teaching the word of God with the brothers in Peru. In Lima I worked with the brothers Carlos Perez and Fausto Leon, faithful brothers in Christ who provide great service to the north of this city. Our work focused on teaching the Puente Piedra Church of Christ, and I preached a Sunday in the Church that meets in house of Brother Fausto Leon. In my stay in Lima we visited unconverted and gave teachings at home.

On May 10, I met brother Ruben Amador (Houston-Texas), to work on teaching the Word of God with the Church of Christ in Puente Piedra, Lima. Brother Emilio Lerzundi, preacher in Surquillo Church of Christ, transported in his car to brother Ruben Amador as we work in Lima. With Brother Amador traveled to Piura (northern Peru) to work with the churches in the cities of Paita and Sullana.

## **Puente Piedra Church of Christ, Lima.**

The preacher in this congregation is the brother Carlos Perez, who does an excellent job in teaching the Word of God. We had good attendance every night for Bible study. We also teach unconverted, visiting their homes.

The news was sad to learn that our sister Eliana (wife of brother Carlos Perez) has been diagnosed with Abdominal and Pelvic Sarcoma (cancer). She is starting treatment to find relief from this evil. I beg your prayers for our brothers who spend moments of affliction.

From the 21 - 22 of may I was presenting bible lessons for the church of Christ in the city of La Florida Santiago, Chile. This city is to the south of Santiago. It was good to be able to work with these brethren who received the teaching of the gospel with much interest. This is the only church that has elders in Chile.

## **Preaching the gospel in the archipelago of Chiloe, Southern Chile.**

As I have been reporting with respect to evangelistic work I'm doing on the island of Achao. God willing, I will be traveling with my wife, from 10 to 20 June. The purpose is to confirm the faith to new brothers in Christ and resume studies with unconverted. It is essential to teach these new brothers so they can stand firm in the faith. I need for this trip \$ 700 for expenses tickets, hotel and stay.

Beloved, the Lord opens doors widely to teach his blessed Word. In each place we visited are noble hearts where the word of God is obeyed.

I pray to God in my prayers for you, to bless each for fellowship and service provided by me in this work of preaching the Gospel. Deeply I appreciate the great love that you show for the Lord's Work. Please, do not stop praying to the Lord for this server and the work of preaching the Gospel in Chile and South America.

His brother,

Emilio Acevedo  
Limache, Chile.
