June Report 2016

Dear brothers,

Fraternal Greetings from Chile

Our health.

Thank God our health is stable despite chronic illness that torments us. Still, we have the energy to continue working in the Lord's work.

Church of Christ in Limache, Chile

I'm teaching the Word of the Lord in the local church. I share the work in the edification of the saints with the brothers Ruben Toledo, Rodrigo Acevedo and Emilio Acevedo Jr. With these brothers formed the team in the teaching of the Church of Christ in Limache. Also brothers Juan Aranda and Nelson Moraga are helpful in the proper functioning of the work of the local church.

I continue with the program teach lessons about the life of Christ, taking the stories of the four Gospels (Matthew 19; Mark 10; Luke 13; John 10)
We are finishing 1 John, who teaches our brother Ruben Toledo.
Christian growth lessons taught by Brother Rodrigo Acevedo.
Other Bible topics taught by Emilio Acevedo Jr.

Evangelism

It's winter time with its rains, this climate hinders our evangelistic work on Saturdays in the public square. We are leveraging the days to renew the work material. The project for this year is to evangelize in rural areas of the city, for this purpose will be buying a system speaker to announce the Word of the Lord in those places.

Gospel Preaching in Achao Island, Chiloe Archipelago, southern Chile.

As I have been reporting about the evangelistic work I'm doing on the island of Achao, Chiloé, southern Chile. We traveled to visit the brothers in Achao to confirm them in the faith. We were on the island from 10 to 20 June. I made this trip with Ines (my wife) and this time I was accompanied by brothers Juan Aranda and Erika, his wife. Both members of the church in Limache. Our job was to teach doctrinal lessons these new brothers. The topics were:

- The two Covenants.
- The Church of Christ its foundation and divine purpose.

- A review of true worship.
- Lessons on the Holy Spirit and His work.
- Also many other topics. On three occasions we conduct studies with unconverted.

The church in Achao consists of three faithful brothers. There are also other people studying the Word of God on Thursday. Sunday meetings are held at the home of brother Josue Hernandez. Josue and Vanessa, his wife, are people with a lot of interest in the study of the word Lord. My concern is to support these new brothers in biblical teaching. So I'll schedule a trip for September, if God permits.

With the brothers. John and Erika traveling south of Chile.

Brothers in a Bible class in Achao

Sullana, Peru trip.

Some sensitive issues have arisen in the Church of Christ in Sullana. The brothers have written asking me to visit them and help at this time of difficulty. With the help of the Lord I will be traveling to Sullana - Peru, with my wife, on July 5th; I'll stay there until the 26th.

I beg your prayers that the Lord give me wisdom and can help these brothers with the word of the Lord.

Dear brothers and sisters:

Deeply I appreciate the great love that you show for the Lord's work to support my work of evangelism in Chile and South America. Whenever I raise my prayers to our gracious God keep asking His blessing upon each of you.

Your brother in Christ,

Emilio Acevedo.
