Greetings beloved brothers. We thank God for continuing in this life, by God's mercy, to follow in order to bring the gospel to the souls and help build churches with His Word. On the other hand, I am very grateful to the Lord for the progress in my health, and you for me, and for all those mentioned for prayer. That good! We are back in touch.

THE WORK OF GOD IN MATURIN CENTRO.

Work in the Lord's work here continues, faithful brothers are integrated to help at work, at this time we are considering two new families with Bible study at home. Other people are visiting them meetings, and we are trying also receive study in their household.

Cooperation. In the spirit of cooperation and mutual assistance that has developed between the brotherhood of the different churches in the city,

without undermining the independence of each, in this month's brother **Javier Vargas**, who preached in the church that meets in the Barrio Bolivar (South-West) of Maturin, was helping with the preaching at the church Centro.

Consequently this server was helping with preaching to the church in Barrio Bolivar.

This Servant preaching / Brothers in el Barrio Bolívar, were attentive.

Next activity in Puerto La Cruz.

In correspondence to the repeated invitation of the brotherhood that serves and worships God in Puerto La Cruz, in order to bring the word of God to "stir up love and good works" God willing, next Sunday July 3, I will be serving the Word to the beloved brothers of Puerto La Cruz.

Prayers for Health.

ADear Brothers, this is a list of brethren who need prayers for good health.

Erika Granados who is still under medical treatment, because of a strong involvement caused by Guillain-Barre syndrome. Erika is a member in Maturín center.

Antonio Pérez is no longer hospitalized, because he noticed a slight improvement, but the situation is delicate, every three days have to purify your blood (by dialysis). His case is that his kidneys stopped working. Antonio is a preacher in the Church of Christ in Ciudad Bolivar, Bolivar State.

Gloria Benítez. This faithful sister suffers from an autoimmune disease known as Lupus, this causes much physical suffering, by now being staffed by doctors here in Maturin.

Recently our brother Gregory Roark informed us that his mother, sister Elaine or Helen (Elena), is better health. She lives in U.S.A., she is the wife of our brother Ronald Roark. It's good to thank God for improvement, and praying for his full recovery.

Finally, please continue praying for me for my full recovery, which I appreciate wholeheartedly.

Radio. This month we reached the No. transmission. 514 of the radio program "Facing the Bible" in the city of Maturin. We have assembled a production team with brothers Rafael Farias and Javier Vargas, in co-production, and the overall production server and conduct the program.

At the close of this newsletter, dear brothers, I ask your prayers for my country Venezuela. At this time we are going through a difficult situation. But the children of God are praying and we hope that he will help us out of this situation, but nothing of this world hinders the work we do in the Lord's work.

Similarly we reiterate our thanks for your company and support the Lord's work in this area of the planet.

Beloved, if God permits, it will be until the next edition, meanwhile, that the Lord richly bless you, goodbye.

In the love of Christ,

Antonio and family.
