August Report 2016

Dear brothers.

Like I always every month, I am writing to tell you about the work I do in preaching the gospel in Chile.

Our health.

Thank God I started dental treatment to repair the deficiencies that occurred in my teeth. Also the ophthalmologist prescribed new lenses that in a few days I will give the clinic.

With good health we can continue to work in the Lord's work.

The Church of Christ in Limache, Chile.

August could teach every Sunday sermon and Bible lessons for the church.

- "The serious consequences of sin" Romans 6:23.
- "The three types of faith" James 2: 14-26.
- "Timothy, the Evangelist" 1 and 2 Timothy.
- "The fire test" 1 Peter 4:12 - 19.
- "Profanity" Hebrews 12:16.
- "Be concerned for your salvation" Philippians 2:12.
- "The spiritual decadence" Revelation 2: 4-5.
- "Will the next generation serve the Lord?" Judges 2:10.
- In the lessons on "Life of Christ" we are following Jesus in his debates with the Pharisees in chapter 8 and 9 of the Gospel of John.
- Brother Ruben Toledo is teaching textual lessons from the Gospel of John, chapter one.
- We also teach various biblical topics, according to the needs of the congregation.

Public Evangelism.

In September we began our evangelistic work in the public square. We continue to look noble hearts where the Word of God is received and take fruits of salvation.

Mrs. Andrea Rod has visited us and has begun to study the word of the Lord.

A brother has asked me to record Bible lessons 10 minutes to send by Whatsapp to cell phones. I recorded some biblical themes that are sent to many people.

I am teaching online brothers in Sullana, Peru. Every Thursday we meet via Skype to study the Bible.

I am also in constant contact with the brothers Achao Island, at the southern tip of Chile. And soon we will be studying online.

Travel to Peru

As I reported in my previous report, the Church of Christ in Sullana paid for our plane tickets to return, and for a month working in teaching God's Word in that area. So, God through September 25 will be traveling with my wife, and remain in Peru until 25 October. I beg your prayers for this work that we do to strengthen the faith of our brothers.

Dear brothers and sisters: As you can see, there is always plenty of work in the Lord's, deeply I appreciate the great love that you show for preaching the gospel, to support my work of preaching in Chile and South America.

Whenever I raise my prayers to our gracious God, keep asking His blessing upon each of you.

Your brother in Christ,

Emilio Acevedo.

Finally, brothers, pray " for us, that the word of the Lord may spread rapidly and be glorified"

2 Thess. 3: 1
