

My greetings to you and your family circle in the name of our Lord Jesus christ.

As to convert for today:

4 precious souls were baptised this morning.

Joey Ranalan 34 yrs old

Moises Pongan 15 yyo

Rhea Calibod 15 y/o

Jason Apalla 14 y/o

Both of them live here in Longos.

As to our new nest , the owner of the house where we live was suddenly changed his mind the last two weeks. He told me that we may stayed here within another 3 months.The materials for the house are partially prepared. I and some brethren went to the forest for the house materials. The lot's rental monthly is 500 pesos, both house and chapel rental are 250 pesos for the house and also 250 pesos for the chapel.

The location is along the hi-way of longos.I had been also bought the roof materials .I'm just waiting for the partial payment of my house in Bicol this coming Saturdy in order to start the house and chapel.The last 3 weeks were busy in gathering some materials.However I never neglected my responsibility as a preacher.At night I and some other members here , the door to door preaching. My other activities , the same with the previous.

Last week I got sick, almost one week. May be due to climates changing,but now I fell better. Eva is better than the previous situation...

Our two young fine man are in training for preaching.

Hopefully brother Joey Ranalan will be a good preacher also, with a good public relationship.In fact lots of friends he is, kind and have a good comprehension.

As to Emo Afurong , he was totally healed. He invited me in his house and hear me lots of thing regarding to the Kingdom of God .He agreed with me that the Law of Christ is perfect Js 1:25 , that the NT was started during the day of Pentecost. Heb.9:16-17. that the Church of Christ is eternal porposed by God in Jesuschrist.

Therefore God is the divine architect of it, therefore no man on earth is allowed to deduct nor subtract it that shall not sin.That the Church in the NT is only one Eph4:4.

that there is only one baptism 4:5 ;1 cor 12:13 baptised into one body or one church.Eph 1:21-23. Lots of argument but at the end always he agreed...

That's why he offered me to be a partner in radio program this coming Oct.

This coming 22 I will attend the lectureship in Manila due to coming of brother Ron Halbrok. Hopefully we will learn more fine lesson.

As to the owner of this house, I informed that he is really addict .God is always good, He let us not to stay here for a long time.

You are kept in our prayers together with your love ones brother, a good health, free from ill, and anguish as well..

In Christ,
Efren.
