North Beach CHURCH OF CHRIST

Ft. Worth

To the elders and saints at North Beach:

Brethren,

The first three weeks in August were used mainly for personally recharging our energy reservoir and on getting our three children ready for their return to their secular education. *Caleb* (10 yrs old), *Ciara* and *Catia* (8 yrs old) attended their first week of school on August 22nd and are off to a good start. Caleb is in the 5th grade and Ciara and Catia in the 3rd grade. Minnie and I are glad that we are able to care and assist them in their lives. Our actions are governed by God's word and are motivated by our love for them. The picture below was taken the morning of August 22nd.

My next preaching trips will start at the end of this month to *Havana, Cuba* and go through the first week of September. Then, October 2nd-7th, I will be preaching with the *San Marcos, Texas* church. [Sunday thru Wednesday I will be preaching sermons in English. Thursday and Friday nights I will be teaching a Bible class in Spanish.] After returning from San Marcos I will leave for **Spain** where I will be preaching with several churches in *Seville, Dos Hermanas* and *Badalona*. The last weekend in October I will be with the Overland church in *Lawrenceburg, Kentucky*.

On a very personal matter: my wife of 50 years had a birthday August 1st. Minnie is a little younger than I. No need to say more on this subject, other than to add that we are very blessed that God continues to care for us in many ways. This enables us to care for our children and work in the Lord's kingdom locally and in the foreign fields.

Thanks for your kindness, prayers and financial assistance. Please remember our children and work in your private and public prayers.

Sincerely,
Ruben C. Amador
