REPORT OF THE MONTH OF
AUGUST 2016

May the grace of our Lord and Savior be with you, I hope you are doing well with your loved ones, and they are enjoying their greatest blessings.

Thanks to our Lord we are in good health and strong in our faith, every day doing his will.

For the glory of our Lord our congregation has been growing in knowledge and numbers. In recent months we have had new visitors, relatives of our brothers and new brothers.

In Sunday services we continue to worship our Lord and Savior, songs, prayers, the faithful collection for the saints, or holy memorial supper and preaching the word of God.

We continue every Wednesday with the study of the word of God and prayers, also on Saturdays continue with the Bible studies for youth and children, these classes are a great blessing.

The last Saturday of the month we continue with the meeting of men and women of the church to study the word of God.

I ask your prayers for our brother Jesus Inciarte that health is very delicate kidneys stopped working.

I also ask you to pray for our country that the Lord have mercy and everything better, lower prices of food and they are, and our peace.

I ask prayer for me and for my family that the Lord will help us and a lot of health and life to continue working on his great work.

They are praying for the church in Venezuela and all his ministers so that we can stand firm and resist in the evil time.

Thanks to our Lord for his unfailing love and touch them to you the heart to help us because without your help not know how we would have done in the midst of many food shortages, the food we buy some are national and other imported from Colombia but cost is very high, we are very grateful.
