THE WORK IN MATURIN.

Evangelism. The work of evangelism in Bible studies, we have the Marcano family who have been very open to the Word, and Carlos Marcano, head of

the family, who is recovering from minor surgery, has expressed his desire to be baptized, surpassed his convalescence. A very favorable detail with them is that they have been visiting the church meetings. Please pray for the conversion of this family.

Mutual Support. As we have done earlier this month to support the preaching in the churches of Maturin, they participated: Julio Vargas of the church in the center, helped in the church in the South. Javier Vargas of the church in Barrio Bolivar, helped the church in the center. And this servant of the church in the center, helped in churches in Barrio Bolívar and the Centre. By the way, I am very grateful to the brothers of the church in Barrio Bolivar, because they gave me a beautiful and large Bible, King James 1960 version, they said it was an expression of gratitude to this server and as a reminder of them.

The moment when Javier gave me the Bible
