Report October 2016

Dear brothers:

It is a great honor to be back in touch with you to tell you what has been the work of this month, thanks to the kindness and mercy of God. Always praying to our Lord and Savior Jesus Christ so that each of you are doing well, with plenty of life and health.

Our health.

Thank God good health accompanied us on our trip to Peru preaching. An unfortunate accident happened to me, I fell on the floor of the shower and received a blow on the right side, at the end bruises on my arms and back. I keep a sharp pain in my right side. I visited the doctor and ordered a CAT scan.

Please, do not stop praying for me, to be healthy enough to do our work of preaching.

I was absent from work in the local congregation in October, but the brothers efficiently develop the teaching work. Brother Ruben Toledo teaches expository lessons of the gospel of John, we are in chapter 3. Wednesdays teaches a number of lessons about the Kingdom of God. In this month emphasizing the errors of the sects in the Kingdom of God.

They also assist in teaching the brothers Rodrigo Acevedo, Emilio Acevedo Jr. The work of these brothers, is of utmost importance, therefore, allows my preaching work with other churches in Chile and neighboring countries.

Evangelistic trip to Peru.

On September 27 I traveled to Peru with my wife, the plan was to stay with the brothers in this country for 29 days, in order to visit the brothers in northern Peru in the cities of Sullana, Tumbes, Santa Cruz and Paita.

Church of Christ in Sullana, Peru.

Much of the time remained in Sullana, for the church is going through difficult times, the preacher has abandoned the Lord and this has brought discouragement to the brothers there. Unfortunately Alex Luna (now a former preacher) did not want to leave sin, although we encourage and prayed with tears to come back to the Lord. Our work in Sullana focused on encouraging the Saints to remain faithful to the Lord. For 20 days, every night we gather to study the Bible and strengthen the faith of the brothers. 15 is the number of faithful brothers who are in Sullana. Brother Felix Escobar strives to keep active brotherhood in Sullana. For Sunday meetings are helped Brother Saul Neyra, a faithful preacher of the Church of Christ in Paita. They also accompany other brothers.

Thursdays at 20.00 hours study the brothers in Sullana -Biblical lessons via the Internet. Please do not forget to remember these brothers in your prayers.

Being in Sullana traveled to the village of Mallares, (10 miles north of Sullana). Mallares is a peasant village, producer of rice and bananas, Brother Felipe Arambulo is a member of the church in Sullana but lives in Mallares, he asked us to travel there because there was a family who wanted to hear the word of God. Six times from 16.00 to 18.00 hours we were teaching in this town a group of 15 people from the Catholic religion. Victor Marky opened the doors of his house to perform some of the meetings. After the fourth day of teaching **Victor Marky** (73 years) and her daughter **Victoria Marky** (55 years old) decided to obey the gospel and baptize them for the remission of their sins (Acts 2:38). Brother David Guerrero, Evangelist Church of Christ in Paita, will teach new Christians in this location. Pray that the word planted to bear fruit to glorify God.

Preaching trip to the archipelago of Chiloe, Achao Island

Brothers, on the Achao island of Chiloe (southern Chile), still need to be instructed in the word of the Lord, 7 months ago they obeyed the gospel. I plan to travel to the island and stay a week with the brothers in Achao, brother Josue will have free to work from 16 to 22 November days and want to take the time with him to study the scriptures and evangelize in that area. God willing I will

be traveling to that date. I beg your prayers for these evangelistic plans.

Dear Brothers and Sisters,

I need to increase my income by \$ 700 per month. The cost of living has gone up and it's hard to cover the expenses of the month. Since 2012 I receive \$ 2,500 and I've adjusted to that monthly budget, but not enough for me to make ends meet. I am writing to ask them to consider my need and can help with part of what is missing in my monthly budget.

God bless you for your love for me in the gospel work. Thank you for your prayers and support in this work that we do in the teaching of the holy Word of God.

God bless you.

Your brother in Christ,

Emilio Acevedo.
