*Greetings dear brothers, I offer excuses for the brief delay of this newsletter, several factors contributed, the main: My computer is in the repair shop. I'm producing this issue on a borrowed tablet.*

*My brothers, we are coming to the end of another year. Throughout this time many things have happened, but, thanks to our God, He has given us to remain here, alive and active, doing what is necessary to do in his work on this side of the planet.*

*The need for preaching the gospel in many parts of the world remains a prevailing priority. As the Lord Jesus said, more than two thousand years of efforts ... The harvest is indeed great, but the laborers are few. " (Matthew 9:37).*

For example, one subject that is very worrisome to me is that in the city of Valencia, in the very center of Venezuela, after some efforts of several brothers, it has not been possible to consolidate a stable church in that city. My concern is that in this time there are people willing to hear the pure gospel, and it may well be the time to do a good job in that place; But my brothers, the saddest thing is that there is nobody to attend to those people. The distance between Maturín and Valencia is 637 kilometers by road, a time of 9 to 10 hours. By airplane is an hour approximately, with connection in the airport of Maiquetia, but the economic cost of this is way too high. For me it is distant and expensive to attend to that work. However, I am making arrangements, with the help of God, as soon as possible, to visit personally in Valencia. Meanwhile, I will be preaching electronically: email, wassapp, etc.

### **THE WORK IN MATURIN**

**Baptism in Maturín. After visiting church meetings for several weeks and receiving personal studies, CARLOS MARCANO (55) was baptized for forgiveness of sins. Now he continues to receive the necessary and necessary teachings. Carlos is also helping his wife to hear the gospel. We appreciate your prayers in favor.**

**Brethren who accompanied us for the baptism of Carlos. From Left to Right: A. Fleming, R. Farias, K. Farías, CARLOS MARCANO, R.Vargas y J. Vargas. This preacher had the camera.**

**EVANGELISM.** An older couple, Antonio and Dora Garcia, have been searching in the sectarian churches, in their walk, they found a pamphlet I wrote some years ago, specifically aimed at seekers of truth, titled "WHAT CHURCH? WHAT DOCTRINE?", They read this writing and were interested in the content and called me on the phone looking for more information, they are now visiting church meetings and we are taking Bible study to their home. We would also appreciate prayers for the conversion of them.

This preacher in the house of the Garcias, in a momento of relaxation during our Bible study. My wife Milagros has the camera.

**Radio.** In this month we have arrived at edition number 527 of the radio program "Frente a la Biblia", by the grace of God.

**At the close of this newsletter, I reiterate my gratitude to God and to your beloved brothers for participating with me in this work and for your prayers and communication. Again I beg your prayers for Venezuela, so that there may be peace and tranquility in this nation. And thank you for continuing to pray for my health and the work we do here.**

**If God allows, it will be until the next edition, meanwhile, God bless you richly, farewell.**

**In the love of Christ, Antonio and family.**
