Venezuela

Greetings dear brothers and sisters, it is our desire that by receiving this newsletter you will find yourself well, blessed and protected by our God. We have arrived at another end of the year by mercy and grace of God. We hope, if the Lord allows, to see the new year. Also make it a better year for everyone, particularly for our country Venezuela, as for the whole world. And especially, may more souls hear the gospel of Christ and many souls be saved, let us pray for everything and for all.

**THE WORK OF GOD IN MATURÍN**

Recently, I made an extraordinary newsletter the information that has to do with the unification of church that congregates in Barrio Bolivar with the center, joining also talent and evangelistic effort. The merger is planned, God willing, for next Sunday, January 8, 2017. There is no need to write much about this important news because you already have received it.

In this picture we are with the brethren  
from Barrio Bolívar

**NEW BAPTISMS.** In this month there was joy in the heavens and among us for the salvation of the following people: **Melania Barreto (74)**. **Fiorella Rengel (43)**. Melania and Fiorella are mother and daughter respectively, they come from sectarian church, however, they opened their hearts and ears

to hear the gospel of Christ, and when they understood the message, they immediately decided to be saved, and on Monday they were baptized for forgiveness of sins. Glory be given to God for his mercy.

**Jaiver Vargas** (9). This young man is an extraordinary case with which we have encountered, especially not only because of the age he has in years, but because of his mental acuity and intelligence. I give you a brief and basic profile of him. After preschool he entered elementary school at age 7, he is already in 4th grade. Gdo. At school, he is the subject of congratulations on his grades and personal conduct. He studies in his free time in a plastic arts workshop, has worked in vital and drawing with professional quality, will participate in a collective exhibition. He plays chess, and has a special interest in Bible study, he is the son of an "ex-pastor", today our brother Javier Vargas, now excellent preacher of the pure gospel. The fact is that Jaiver has established a daily study plan, in which his dad must give the class. This young man one day informed us with tears in

his eyes, that he had understood that he was a sinner, so that he should be baptized for the forgiveness of sins, this generated interviews with him, and in each case none could object to his motive, On the 27th Jaiver was baptized. Apparently, we are in the presence of a new Timothy, who must be trained and cared for the work of God.

**RADIO.** In the next bulletin I will inform you again about the radio program. This December the station ceased early of the month the programming of independent producers, as is my case.

**So far this last edition of 2016. It is an opportunity to reiterate my gratitude to our God and to you, beloved brothers, for being with me with your prayers, your participation in this work, for your communication, for your support, especially this year which has been somewhat difficult for the inhabitants of the country. So thank you, may our Lord multiply you with every blessing. Together with my family we wish you HAPPY AND BEST NEW YEAR 2017 HAPPY NEW YEAR 2017.**

**If God permits, it will be the next edition,  
meanwhile, God bless you richly, farewell.  
In the love of Christ, Antonio and family.**
