

My greetings to you and to your family circle in the name of our Lord Jesus Christ.

As to my work in the past month, Cesar Stela was baptized; 50 y/o; 5 years in Iglesia ni Cristo; Separated; Mason.

As to the two families who were committed to be baptized in Christ, I am very sorry because their manager is Iglesia ni Cristo, they were strictly forbidden not to go to any Church, or else their job in paper mache will be affected. Although lots of explanation in the bible I did. Too late when I was informed about their job. I regrets because they are seven in the two families. Yesterday afternoon, the couple of Richie was committed for baptism today but there was a sudden family problem. Schedule of the baptism is really hard unlike the urgent, because there are so many hindrances.

Jan 20 when I went to Manila just to incash my cheque in a certain money changer from Port Worth Texas but due to heavy traffic in Metro Manila, I arrived there at 3 pm. Brother Ely who informed me about the money changer there in Manila encouraged me to preach to his prospect family, than to incash the cheque at once due to lack of time. In my preaching, one young mother was convinced for baptism in Christ, the 21st of January, we proceed to money changer but unfortunately, they are closed so then we proceed to Guagua, Pampanga. It's already 2 am when I arrive at home due to heavy traffic in Metro Manila as well as Los Banos, Laguna. The 23rd of January, Exposition of bro. Lordy Salonga and bro. Carino regarding to marriage. Bro. Lordy invited me to join them at Pasay, Church of Christ hosted by bro. Gumpad. And on the 24th, bro. Gerth Van John arrived and a lot of preachers were invited me to join them in a tour preaching in Luzon but unfortunately, my daughter Eva had a seizure a day before that time and I can't able to leave her because of her condition.

The following days are busy for house-to-house preaching also for atleast once in a week because of the chapel construction. So atleast our chapel is now already walled.

As to my son, Jay, he is now a very studious in the bible, kept on asking me a lot of things in the bible through cellphone.

As to my grandson, Caleb Joshua (CJ) who live there in a certain part of Texas, I was so disappointed because his mother is influenced much than me, his mother is a baptist.

As to my other activities of course the door-to-door preaching here in my vicinity.

The sons of brother Elesio Sikat are kept on reminding me to help them by house to house, a lots of prospect according to them. I just said, 'that it will be possible one of this days'.

Thank you so much my dear brother for your effort and care... both of you with your wife, sister Louise are kept in our prayers for your fast recovery...

Please extend my warmness regard and prayers to your family, to the elders and deacons, and to all the saints there at Fort Worth for their health and comfort, and free from anguish always.

In Christ,

Efren
