REPORT for the MONTH of JANUARY
2017

May the peace and blessing of our Lord and Savior be with all of you and give them much life and health to continue to serve and love Him.

It is a great honor for me to serve my Lord with my family and enjoy each day of his abundant spiritual and physical riches.

In this month we continue to fulfill the Lord's commandments the first Sunday the attendance of brothers and visitor was very good, this speaks of that many are understanding that we must obey the will of God.

Every Sunday we gather together for worship and edification.

On Wednesdays we continue with Bible studies and prayer.

We continue with the visits to evangelize and visits to brothers.

In this month we were visited by brothers from other congregations in our country and a brother of the Colombian church, we shared the word of God and communion.

Every Saturday we continue with the Bible classes for children and young people for the purpose that they grow spiritually.

At the end of the month, we gather the men and the sisters to share the word of God and talk about the work for this new year, the Lord will help us to fulfill our goals.

I want to pray for my spiritual and physical life and for my family so that the Lord may help us every day to be firm in serving Him.

I also ask for prayer for the unity of the church in our country so that we continue without deviating sound doctrine.

I ask for prayer for our visitors and students of the word so that the Lord does the work in their hearts and obey his word.

I ask for our country so things can improve soon.

I want to thank my Lord and all of you for supporting my work with all your generosity, thank God, multiply them.

Without further ado, his servant in Christ Jesus, José Gregorio Díaz Leal.
