*REPORT*  
*FEBRUARY 2017*

The Lord, God the Father Almighty, guard you and give you physical and spiritual health and all your loved ones.

Thank God this month was a lot of work and great blessings, we continue to work on this great work of preaching the gospel and teaching the word of God.

Each Sunday we continue to fulfill the commandments of our Lord Jesus Christ, we gather to worship Him and exalt His holy name.

On Saturdays we continue to study the word of God with the children and young people, it has been a great blessing since some children have brought their mother to the worship services

. On Wednesday we continue to hold prayer meetings and Bible study, this month we started a series titled: "How to resolve conflicts in the congregation".

We continue to visit brothers and friends to bring them the gospel of salvation, we also visit the brothers who are sick and need medicine and care.

We also continue to make the end-of-month meetings of brothers and sisters to study issues concerning sound doctrine as some congregations have fallen into anti-biblical practices, have been of great blessing and edification.

In this month I visited the brothers who gather in San Juan, we helped them in the teaching of the word of God and in the visits to separated brothers

For the glory of God this month we baptized two people, Mrs. Blanca Palmar and my blood brother Juvencio Díaz, I ask for your prayers for them.

I ask your prayers for my family and for my person so that the Lord will help us every day to continue working in his work.

I ask for your prayers so that the word of the Lord reaches many people in this country and they can be saved.

Pray for my brother Juvencio Diaz so that the Lord will heal him of his illness.

I ask for your prayers for my Salatiel Son to be operated on inguinal hernia and Varicocele on his left testicle.

Include our country Venezuela in your prayers so that the Lord will help us to continue fighting and surviving in the face of this general crisis that we are experiencing.

Without further ado, I say goodbye, waiting to serve you.
