

Greeting to the elders,deacons and to all the members in the church.I thank one and all for your prayers and support for the work in India.

Your support is very much helpful to me to spread the gospel of Jesus Christ in local and other states.

The month of February and March I have not traveled out of my state, It is due to my company financial closing and production period.{target reaching period}

These two months I have worked with my local church and with some of the churches in nearby districts.

February: on 5th I have preached in the church of Christ at Siripuram ,V.Pochaiah is doing good work with this Church, and on 26th preached in the church of Christ at Suraram , Paulraj is working with this Church.

On 26th Lords day one sister obeyed the truth in our Church , one of our elder{ Christdas} has baptized her.

March: 11 of March I have applied one day leave and traveled to teach in a full day bible class at Mominpet.63 members attended for this class most of them were denominations , I have taught 3 lessons [1,Meaning of the Church 2,coming of the Church and 3,the establishment of the church,] and one more brother taught one lesson that is the difference between old and New Testament.

Members have taken good advantage of the class , hope and pray some good will come out of our labor.

On 19th Sunday I have preached in the Church of Christ at Dillsuknagar. By the grace of God the work is growing well.

I once again I thank each one of you for all your prayers and support.

Thankfully,
Your brother in Christ.
Y.Surender.
